COHU, INC.
2005 EQUITY INCENTIVE PLAN

1. ESTABLISHMENT, PURPOSE AND TERM OF PLAN.

1.1 Establishment. The Cohu, Inc. 2005 Equity Incentive Plan (the “*Plan*”) was originally established effective as of May 10, 2005, the date of its approval by the stockholders of the Company (the “*Effective Date*”), and was subsequently amended and restated, subject to stockholder approval, by the Board on March 17, 2006 and on April 18, 2006.

1.2 Purpose. The purpose of the Plan is to advance the interests of the Participating Company Group and its stockholders by providing an incentive to attract, retain and reward persons performing services for the Participating Company Group and by motivating such persons to contribute to the growth and profitability of the Participating Company Group. The Plan seeks to achieve this purpose by providing for Awards in the form of Options, Stock Appreciation Rights, Restricted Stock, Performance Shares, Performance Units, Restricted Stock Units, Deferred Stock and Other Stock-Based Awards. After the Effective Date, the Company shall terminate, and no longer issue any awards from under, the Company’s 1998 Stock Option Plan, 1996 Outside Directors Stock Option Plan and 1996 Stock Option Plan.

1.3 Term of Plan. The Plan shall continue in effect until the earlier of its termination by the Board or the date on which all of the shares of Stock available for issuance under the Plan have been issued and all restrictions on such shares under the terms of the Plan and the agreements evidencing Awards granted under the Plan have lapsed. However, all Incentive Stock Options shall be granted, if at all, within ten (10) years from the Effective Date.

2. DEFINITIONS AND CONSTRUCTION.

(b) “*Award*” means any Option, SAR, Restricted Stock, Performance Share, Performance Unit, Restricted Stock Unit, Deferred Stock or Other Stock-Based Award granted under the Plan.

(ii) If, on such date, the Stock is not listed on a national or regional securities exchange or market system, the Fair Market Value of a share of Stock shall be as determined by the Board in good faith without regard to any restriction other than a restriction which, by its terms, will never lapse.

3.2 Authority of Officers. Any Officer shall have the authority to act on behalf of the Company with respect to any matter, right, obligation, determination or election which is the responsibility of or which is allocated to the Company herein, provided the Officer has apparent authority with respect to such matter, right, obligation, determination or election. 3.3 Powers of the Board. In addition to any other powers set forth in the Plan and subject to the provisions of the Plan, the Board shall have the full and final power and authority, in its discretion:

(a) to determine the persons to whom, and the time or times at which, Awards shall be granted and the number of shares of Stock or units to be subject to each Award;

(b) to designate Options as Incentive Stock Options, Nonstatutory Stock Options or Indexed Options;

(c) to determine the type(s) of Other Stock-Based Awards, and their terms and conditions that may be granted under the Plan;

(d) to determine the Fair Market Value of shares of Stock or other property;

(e) to determine the terms, conditions and restrictions applicable to each Award (which need not be identical) and any shares acquired upon the exercise thereof, including, without limitation, (i) the exercise or purchase price of shares purchased pursuant to any Award, (ii) the method of payment for shares purchased pursuant to any Award, (iii) the method for satisfaction of any tax withholding obligation arising in connection with the Award, including by the withholding or delivery of shares of Stock, (iv) the timing, terms and conditions of the exercisability of the Award or the vesting of any Award of any shares acquired pursuant thereto, (v) the Performance Goals applicable to any Award and the extent to which such Performance Goals have been attained, (vi) the time of the expiration of any Award, (vii) the effect of the Participant's termination of Service with the Participating Company Group on any of the foregoing, and (viii) all other terms, conditions and restrictions applicable to any Award or shares acquired pursuant thereto not inconsistent with the terms of the Plan;

(f) to determine whether an Award will be settled in shares of Stock, cash, or in any combination thereof;

(g) to approve one or more forms of Award Agreement;

(h) to amend, modify, extend, cancel or renew any Award or to waive any restrictions or conditions applicable to any Award or any shares acquired pursuant thereto;

(i) to accelerate, continue, extend or defer the exercisability of any Award or any shares acquired pursuant thereto, including with respect to the period following a Participant's termination of Service with the Participating Company Group;

(j) to prescribe, amend or rescind rules, guidelines and policies relating to the Plan, or to adopt sub-plans or supplements to, or alternative versions of, the Plan, including, without limitation, as the Board deems necessary or desirable to comply with the laws or regulations of, or to accommodate the tax policy, financial accounting or custom of, foreign jurisdictions whose citizens may be granted Awards;

(k) to authorize, in conjunction with any applicable Company deferred compensation plan, that the receipt of cash or Stock subject to any Award under this Plan, may be deferred under the terms and conditions of such Company deferred compensation plan; and

(l) to correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award Agreement and to make all other determinations and take such other actions with respect to the Plan or any Award as the Board may deem advisable to the extent not inconsistent with the provisions of the Plan or applicable law.

3.4 Administration with Respect to Insiders. With respect to participation by Insiders in the Plan, at any time that any class of equity security of the Company is registered pursuant to Section 12 of the Exchange Act, the Plan shall be administered in compliance with the requirements, if any, of Rule 16b-3.

3.5 Committee Complying with Section 162(m). If the Company is a "publicly held corporation" within the meaning of Section 162(m), the Board may establish a Committee of "outside directors" within the meaning of Section 162(m) to approve the grant of any Option which might reasonably be anticipated to result in the payment of employee remuneration that would otherwise exceed the limit on employee remuneration deductible for income tax purposes pursuant to Section 162(m).

3.6 No Repricing. Without the affirmative vote of holders of a majority of the shares of Stock cast in person or by proxy at a meeting of the stockholders of the Company at which a quorum representing a majority of all outstanding shares of Stock is present or represented by proxy, the Board shall not approve a program providing for either (a) the cancellation of outstanding Options and/or SARs and the grant in substitution therefore of any new Awards, including specifically any new Options and/or SARs having a lower exercise price or (b) the amendment of outstanding Options and/or SARs to reduce the exercise price thereof. This paragraph shall not be construed to apply to "issuing or assuming a stock option in a transaction to which section 424(a) applies," within the meaning of Section 424 of the Code.

3.7 No Restricted Stock Award Acceleration. Notwithstanding any provision of the Plan to the contrary, no Restricted Stock Award may be granted which provides, or subsequently amended to provide, for (i) any acceleration of vesting for any reason other than upon a Change in Control or after the Participant's death or Disability and (ii) vesting of one hundred percent (100%) of any such Restricted Stock Award prior to the passage of three (3) years of Service (unless such Restricted Stock Award will vest in accordance with the satisfaction of any Performance Goal).

3.8 Indemnification. In addition to such other rights of indemnification as they may have as members of the Board or officers or employees of the Participating Company Group, members of the Board and any officers or employees of the Participating Company Group to whom authority to act for the Board or the Company is delegated shall be indemnified by the Company against all reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan, or any right granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such person is liable for gross negligence, bad faith or intentional misconduct in duties; provided, however, that within sixty (60) days after the institution of such action, suit or proceeding, such person shall offer to the Company, in writing, the opportunity at its own expense to handle and defend the same.

4. SHARES SUBJECT TO PLAN.

4.1 Maximum Number of Shares Issuable. Subject to adjustment as provided in Section 4.2, the maximum aggregate number of shares of Stock that may be issued under the Plan shall be Four Million One Hundred and Eleven Thousand Four Hundred and Ninety-Two (4,111,492). This share reserve shall consist of authorized but unissued or reacquired shares of Stock or any combination thereof. However, the share reserve, determined at any time, shall be reduced by the number of shares subject to the Prior Plan Awards (which as of March 14, 2006 equaled 2,249,410). If any outstanding Award, including any Prior Plan Award, for any reason expires or is terminated or canceled without having been exercised or settled in full, or if shares of Stock acquired pursuant to an Award subject to forfeiture or repurchase, including any Prior Plan Award, are forfeited or repurchased by the Company, the shares of Stock allocable to the terminated portion of such Award, including any Prior Plan Award, or such forfeited or repurchased shares of Stock shall again be

available for grant under the Plan. Shares of Stock shall not be deemed to have been granted pursuant to the Plan with respect to any portion of an Award that is settled in cash. Notwithstanding anything to the contrary in this Section 4.1, the following shares of Stock shall not be available for reissuance under the Plan: (i) shares of Stock with respect to which the Participant has received the benefits of ownership (other than voting rights), either in the form of dividends, shares sold pursuant to a Cashless Exercise described in Section 6.3(a) or otherwise; (ii) shares of Stock which are withheld from any Award or payment under the Plan to satisfy tax withholding obligations pursuant to Section 16.2; (iii) shares of Stock which are surrendered by any Participant (through a Cashless Exercise, actual delivery of the shares or attestation of ownership) to fulfill tax withholding obligations or to pay the applicable exercise price for any Award; and (iv) shares of Stock subject to the grant of a SAR which are not issued upon settlement of the SAR.

4.2 Adjustments for Changes in Capital Structure. In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar change in the capital structure of the Company, appropriate adjustments shall be made in the number and class of shares subject to the Plan and to any outstanding Awards, in the Section 162(m) Grant Limit set forth in Section 5.4 and in the exercise price or purchaser price of any outstanding Awards. If a majority of the shares which are of the same class as the shares that are subject to outstanding Awards are exchanged for, converted into, or otherwise become (whether or not pursuant to an Ownership Change Event, as defined in Section 13.1) shares of another corporation (the “*New Shares*”), the Board may unilaterally amend the outstanding Awards to provide that such Awards are accurately reflected for New Shares. In the event of any such amendment, the number of shares subject to, and the exercise price and/or purchase price per share of, the outstanding Awards (if any) shall be adjusted in a fair and equitable manner as determined by the Board, in its discretion. Notwithstanding the foregoing, any fractional share resulting from an adjustment pursuant to this Section 4.2 shall be rounded down to the nearest whole number, and in no event may the exercise price and/or purchase price of any Award be decreased to an amount less than the par value, if any, of the stock subject to the Award. The adjustments determined by the Board pursuant to this Section 4.2 shall be final, binding and conclusive.

5. ELIGIBILITY AND AWARD LIMITATIONS.

5.1 Persons Eligible for Awards. Awards may be granted only to Employees, Consultants, and Directors. For purposes of the foregoing sentence, “Employees,” “Consultants” and “Directors” shall include prospective Employees, prospective Consultants and prospective Directors to whom Awards are granted in connection with written offers of an employment or other service relationship with the Participating Company Group; provided, however, that no Stock subject to any such Award shall vest, become exercisable or be issued prior to the date on which such person commences Service.

5.2 Participation. Awards are granted solely at the discretion of the Board. Eligible persons may be granted more than one (1) Award. However, eligibility in accordance with this Section shall not entitle any person to be granted an Award, or, having been granted an Award, to be granted an additional Award.

5.3 Incentive Stock Option Limitations.

(a) Persons Eligible. An Incentive Stock Option may be granted only to a person who, on the effective date of grant, is an Employee of the Company, a Parent Corporation or a Subsidiary Corporation (each being an “*ISO-Qualifying Corporation*”). Any person who is not an Employee of an ISO-Qualifying Corporation on the effective date of the grant of an Option to such person may be granted only a Nonstatutory Stock Option. An Incentive Stock Option granted to a prospective Employee upon the condition that such person become an Employee of an ISO-Qualifying Corporation shall be deemed granted effective on the date such person commences Service with an ISO-Qualifying Corporation, with an exercise price determined as of such date in accordance with Section 6.1.

(b) Fair Market Value Limitation. To the extent that options designated as Incentive Stock Options (granted under all stock option plans of the Participating Company Group, including the Plan) become exercisable by a Participant for the first time during any calendar year for stock having a Fair Market Value greater than One Hundred Thousand dollars (\$100,000), the portion of such options which exceeds such amount shall be treated as Nonstatutory Stock Options. For purposes of this Section, options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of stock shall be determined as of the time the option with respect to such stock is granted. If the Code is amended to provide for a different limitation from that set forth in this Section, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section, the Participant may designate which portion of such Option the Participant is exercising. In the absence of such designation, the Participant shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Upon exercise, shares issued pursuant to each such portion shall be separately identified.

5.4 Award Limits.

(a) Aggregate Limit on Restricted Stock, Performance Shares and Performance Units. Subject to adjustment as provided in Section 4.2, in no event shall more than One-Million Five-Hundred Thousand (1,500,000) shares of Stock in the aggregate be issued under the Plan pursuant to the exercise or settlement of Restricted Stock, Restricted Stock Units, Performance Shares and Performance Units.

(b) Section 162(m) Award Limits. The following limits shall apply to the grant of any Award if, at the time of grant, the Company is a “publicly held corporation” within the meaning of Section 162(m).

(i) Options and SARs. Subject to adjustment as provided in Section 4.2, no Employee shall be granted within any fiscal year of the Company one or more Options or Freestanding SARs which in the aggregate are for more than Five Hundred Thousand (500,000) shares of Stock, provided, however, that the Company may make an additional one-time grant to any newly-hired Employee of an Option and/or SAR for the purchase of up to an additional Two Hundred and Fifty Thousand (250,000) shares of Stock. An Option which is canceled (or a Freestanding SAR as to which the exercise price is reduced to reflect a reduction in the Fair Market Value of the Stock) in the same fiscal year of the Company in which it was granted shall continue to be counted against such limit for such fiscal year.

(ii) Restricted Stock and Restricted Stock Units. Subject to adjustment as provided in Section 4.2, no Employee shall be granted within any fiscal year of the Company one or more Restricted Stock Awards or Restricted Stock Units, subject to Vesting Conditions based on the attainment of Performance Goals, for more than Two Hundred Thousand (200,000) shares of Stock, provided, however, that the Company may make an additional one-time grant to any newly-hired Employee of a Restricted Stock Award or Restricted Stock Units of up to an additional One Hundred Thousand (100,000) shares of Stock.

(iii) Performance Shares and Performance Units. Subject to adjustment as provided in Section 4.2, no Employee shall be granted (A) Performance Shares which could result in such Employee receiving more than One Hundred Thousand (100,000) shares of Stock for each full fiscal year of the Company contained in the Performance Period for such Award, or (B) Performance Units which could result in such Employee receiving more than \$1,000,000 for each full fiscal year of the Company contained in the Performance Period for such Award. No Participant may be granted more than one Performance Share or Performance Unit for the same Performance Period.

(iv) Performance Bonus Awards. No Employee shall be paid a Performance Bonus Award pursuant to Section 10.6 which is greater than \$1,000,000 for each full fiscal year of the Company contained in the Performance Period for such award.

6. TERMS AND CONDITIONS OF OPTIONS.

Options shall be evidenced by Award Agreements specifying the number of shares of Stock covered thereby, in such form as the Board shall from time to time establish. No Option or purported Option shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Options may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

6.1 Exercise Price. The exercise price for each Option shall be established in the discretion of the Board; provided, however, that (a) the exercise price per share for an Option shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option, (b) no Incentive Stock Option granted to a Ten Percent Owner Participant shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option, and (c) notwithstanding anything to the contrary in this Section 6.1, in the case of an Indexed Option, the Board shall determine the exercise price of such Indexed Option and the terms and conditions that affect, if any, any adjustments to the exercise price of such Indexed Option. Notwithstanding the foregoing, an Option may be granted with an exercise price lower than the minimum exercise price set forth above if such Option is granted pursuant to an assumption or substitution for another option in a manner qualifying under the provisions of Section 424(a) of the Code.

6.2 Exercisability and Term of Options. Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Board and set forth in the Award Agreement evidencing such Option; provided, however, that (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option granted to a Ten Percent Owner shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, and (c) no Option granted to a prospective Employee, prospective Consultant or prospective Director may become exercisable prior to the date on which such person commences Service with a Participating Company. Subject to the foregoing, unless otherwise specified by the Board in the grant of an Option, any Option granted hereunder shall terminate ten (10) years after the effective date of grant of the Option, unless earlier terminated in accordance with its provisions.

6.3 Payment of Exercise Price.

(a) Forms of Consideration Authorized. Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made (i) in cash, by check or cash equivalent, (ii) by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Participant having a Fair Market Value not less than the exercise price, (iii) by delivery of a properly executed notice of exercise together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System) (a "**Cashless Exercise**"), (iv) by delivery of a properly executed notice of exercise electing a Net-Exercise, (v) by such other consideration as may be approved by the Board from time to time to the extent permitted by applicable law, or (vi) by any combination thereof. The Board may at any time or from time to time, by approval of or by amendment to the standard forms of Award Agreement described in Section 12, or by other means, grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration.

(b) Limitations on Forms of Consideration.

(i) Tender of Stock. Notwithstanding the foregoing, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock to the extent such tender or attestation would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company's stock. Unless otherwise provided by the Board, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock unless such shares either have been owned by the Participant for more than six (6) months (and not used for another Option exercise by attestation during such period) or were not acquired, directly or indirectly, from the Company.

(ii) Cashless Exercise. The Company reserves, at any and all times, the right, in the Company's sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise, including with respect to one or more Participants specified by the Company notwithstanding that such program or procedures may be available to other Participants.

(iii) Net-Exercise. The Company reserves, at any and all times, the right, in the Company's sole and absolute discretion, to grant Incentive Stock Options, or to grant, or amend, any Nonstatutory Options to provide that such Options may be exercised by the means of a Net-Exercise, including with respect to one or more Participants specified by the Company notwithstanding that such program or procedures may be available to other Participants. No Option will be granted (or amended in the case of a Nonstatutory Stock Option) to permit a Net-Exercise prior to the effectiveness of the Financial Accounting Standards Board Statement of Financial Accounting Standards No. 123R.

6.4 Effect of Termination of Service. An Option shall be exercisable after a Participant's termination of Service to such extent and during such period as determined by the Board, in its discretion, and set forth in the Award Agreement evidencing such Option.

6.5 Transferability of Options. During the lifetime of the Participant, an Option shall be exercisable only by the Participant or the Participant's guardian or legal representative. Prior to the issuance of shares of Stock upon the exercise of an Option, the Option shall not be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. Notwithstanding the foregoing, to the extent permitted by the Board, in its discretion, and set forth in the Award Agreement evidencing such Option, a Nonstatutory Stock Option shall be assignable or transferable subject to the applicable limitations, if any, described in the General Instructions to Form S-8 Registration Statement under the Securities Act. Notwithstanding any of the foregoing, the Board may permit further transferability of any Option, on a general or specific basis, and may impose conditions and limitations on any permitted transferability.

7. TERMS AND CONDITIONS OF STOCK APPRECIATION RIGHTS.

Stock Appreciation Rights shall be evidenced by Award Agreements specifying the number of shares of Stock subject to the Award, in such form as the Board shall from time to time establish. No SAR or purported SAR shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing SARs may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

7.1 Types of SARs Authorized. SARs may be granted in tandem with all or any portion of a related Option (a “**Tandem SAR**”) or may be granted independently of any Option (a “**Freestanding SAR**”). A Tandem SAR may be granted either concurrently with the grant of the related Option or at any time thereafter prior to the complete exercise, termination, expiration or cancellation of such related Option.

7.2 Exercise Price and Other Terms. The Board, subject to the provisions of the Plan, will have complete discretion to determine the terms and conditions of each SAR granted under the Plan; provided, however, that (a) the exercise price per share subject to a Tandem SAR shall be the exercise price per share under the related Option and (b) the exercise price per share subject to a Freestanding SAR shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the SAR.

7.3 Exercise of SARs. SARs will be exercisable on such terms and conditions as the Board, in its sole and absolute discretion, will determine.

7.4 Award Agreement. Each SAR grant will be evidenced by an Award Agreement that will specify the exercise price, the term of the SAR, the conditions of exercise, and such other terms and conditions as the Board, in its sole discretion, will determine.

7.5 Expiration of SARs. Each SAR grant under the Plan will expire upon the date determined by the Board, in its sole discretion, and set forth in the Award Agreement. Notwithstanding the foregoing, the requirements of Sections 6.2, 6.3, 6.4 and 6.5 also will apply to SARs to the extent not replaced or superseded by the terms of any Award Agreement.

8. TERMS AND CONDITIONS OF RESTRICTED STOCK AWARDS.

Restricted Stock Awards shall be evidenced by Award Agreements specifying the number of shares of Stock subject to the Award, in such form as the Board shall from time to time establish. No Restricted Stock Award or purported Restricted Stock Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing Restricted Stock Awards may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

8.1 Grant of Restricted Stock. The Board is authorized to make Awards of Restricted Stock to any Participant selected by the Board in such amounts and subject to such terms and conditions as determined by the Board.

8.2 Issuance and Restrictions. Restricted Stock Awards will be subject to such restrictions on transferability and other restrictions as the Board may impose (including, without limitation, limitations on the right to vote shares of Stock or the right to receive dividends on the Stock). These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Board determines at the time of the grant of the Award or thereafter. The minimum period for such restrictions shall be a period of three (3) years. Notwithstanding the foregoing however, Restricted Stock Awards may become one hundred percent (100%) vested earlier than after the passage of three (3) years upon (i) the occurrence of a Change in Control, as provided in any applicable Award Agreement, or (ii) achievement of such the Awards applicable Performance Goals.

8.3 Forfeiture. Except as otherwise determined by the Board at the time of grant of the Award or thereafter, upon termination of Service during the applicable Restriction Period, Restricted Stock that is at that time subject to restrictions will be forfeited; provided, however, that the Board may (a) provide in any Restricted Stock Award Agreement that restrictions or forfeiture conditions will be waived in whole or in part in the event of terminations resulting from specified causes, and (b) in other cases waive in whole or in part restrictions or forfeiture conditions.

8.4 Voting Rights; Dividends and Distributions. Except as may be provided in any Award Agreement, during the Restriction Period applicable to shares subject to a Restricted Stock Award, the Participant shall have all of the rights of a stockholder of the Company holding shares of Stock, including the right to vote such shares and to receive all dividends and other distributions paid with respect to such shares. However, in the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, then any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant is entitled by reason of the Participant’s Restricted Stock Award shall be immediately subject to the same Vesting Conditions as the shares subject to the Restricted Stock Award with respect to which such dividends or distributions were paid or adjustments were made.

9. TERMS AND CONDITIONS OF OTHER TYPES OF AWARDS.

Other types of Awards, such as Performance Shares, Performance Units, Deferred Stock, Restricted Stock Units, Other Stock-Based Awards and Performance Bonus Awards (collectively “**Other Types of Award**”) shall be evidenced by Award Agreements specifying the type of Award and the number of shares of Stock subject to the Award, in such form as the Board shall from time to time establish. No Other Type of Award or purported Award shall be a valid and binding obligation of the Company unless evidenced by a fully executed Award Agreement. Award Agreements evidencing any Other Type of Award may incorporate all or any of the terms of the Plan by reference and shall comply with and be subject to the following terms and conditions:

9.1 Performance Shares. Any Participant selected by the Committee may be granted one or more Performance Share awards which will be denominated in a number of shares of Stock and which may be linked to any one or more of the Performance Goals or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee will consider (among other such factors as it deems relevant in light of the specific type of Award) the contributions, responsibilities and other compensation of the particular Participant.

9.2 Performance Units. Any Participant selected by the Committee may be granted one or more Performance Unit awards which will be denominated in units of value, which, without limitation, may include the dollar value of shares of Stock, and which may be linked to any one or more of the Performance Goals or other specific performance criteria determined appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. In making such determinations, the Committee will consider (among other such factors as it deems relevant in light of the specific type of Award) the contributions, responsibilities and other compensation of the particular Participant.

9.3 Deferred Stock. Any Participant selected by the Board may be granted an award of Deferred Stock in the manner determined from time to time by the Board. The number of shares of Deferred Stock will be determined by the Board and may be linked to the Performance Goals or other specific performance criteria determined to be appropriate by the Board, in each case on a specified date or dates or over any period or periods determined by the Board. Stock underlying a Deferred Stock award will not be issued until the Deferred Stock award has vested, pursuant to a vesting schedule or performance criteria set by the Committee, or upon such settlement date as may be elected by the Participant. Unless otherwise provided by the Board, a Participant awarded Deferred Stock will have no rights as a Company stockholder with respect to such Deferred Stock until such time as the Award has vested and the Stock underlying such Award has been issued. In addition, Deferred Stock may be granted automatically with respect to such number of shares of Stock and upon such other terms and conditions as established by the Board in lieu of:

(a) cash or shares of Stock otherwise issuable to such Participant upon the exercise or settlement of a Restricted Stock Award or Performance Award; or

(b) any cash to be otherwise paid to the Participant in the form of salary, bonus, commissions, or such other compensation program maintained by the Company.

9.4 Restricted Stock Units. The Board is authorized to make Awards of Restricted Stock Units to any Participant selected by the Board in such amounts and subject to such terms and conditions as determined by the Board. The number of Restricted Stock Units will be determined by the Board and may be linked to the Performance Goals or other specific performance criteria determined to be appropriate by the Board, in each case on a specified date or dates or over any period or periods determined by the Board. At the time of grant, the Board will specify the date or dates on which the Restricted Stock Units will become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. At the time of grant, the Board will specify the settlement date applicable to each grant of Restricted Stock Units which will be no earlier than the vesting date or dates of the Award and may be determined at the election of the Participant. On the settlement date, the Company will transfer to the Participant either (i) one unrestricted, fully transferable share of Stock or (ii) cash equal to the value of one such share of Stock for each Restricted Stock Unit scheduled to be paid out on such date and which was not previously forfeited. The Board will specify the purchase price, if any, to be paid by the Participant to the Company for such shares of Stock.

9.5 Other Stock-Based Awards. Any Participant selected by the Board may be granted one or more awards that provide Participants with shares of Stock or the right to purchase shares of Stock or that have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in shares of Stock and which may be linked to any one or more of the Performance Goals or other specific performance criteria determined appropriate by the Board, in each case on a specified date or dates or over any period or periods determined by the Board. In making such determinations, the Board will consider (among such other factors as it deems relevant in light of the specific type of award) the contributions, responsibilities and other compensation to the particular Participant.

9.6 Performance Bonus Awards. Any Participant selected by the Committee may be granted one or more Performance-Based Award in the form of a cash bonus payable upon the attainment of Performance Goals that are established by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. Any such Performance Bonus Award paid to a Covered Employee will be based upon objectively determinable bonus formulas established in accordance with Section 11.

9.7 Term of Other Type Awards. Except as otherwise provided herein, the term of any Other Type Award will be set by the Board in its sole and absolute discretion and set forth in any applicable Award Agreement.

9.8 Exercise or Purchase Price. The Board may establish the exercise or purchase price, if any, of any Other Type Award; provided, however, that such price will not be less than the par value of a share of Stock on the date of grant, unless otherwise permitted by applicable law.

9.9 Exercise Upon Termination of Service. Any Other Type of Award will only be exercisable or payable while the Participant is an Employee, Consultant or Director, as applicable; provided, however, that the Board in its sole and absolute discretion may provide that any Other Type of Award may be exercised or paid subsequent to a termination of Service, as applicable, or following a Change in Control, or because of the Participant's retirement, death or disability, or otherwise; provided, however, that any such provision with respect to Performance Shares, Performance Units or Performance Bonus Awards will be subject to the requirements of Section 162(m) that apply to such award and/or compensation.

9.10 Form of Payment. Payments with respect to any Other Type of Award will be made in cash, in Stock or a combination of both, as determined by the Board and as set forth in any applicable Award Agreement.

9.11 Award Agreement. All Other Types of Awards will be subject to such additional terms and conditions as determined by the Board and will be evidenced by a written Award Agreement.

9.12 Voting Rights; Dividend Equivalent Rights and Distributions. Participants shall have no voting rights with respect to shares of Stock represented by any Other Type of Award until the date of the issuance of such shares, if any (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company). However, the Board, in its discretion, may provide in the Award Agreement evidencing any Other Type of Award that the Participant shall be entitled to receive Dividend Equivalents with respect to the payment of cash dividends on Stock having a record date prior to the date on which such shares of Stock underlying any such award are settled or forfeited. Such Dividend Equivalents, if any, shall be credited to the Participant in the form of additional whole shares of Stock, or such cash equivalent, depending on the type of award, as of the date of payment of such cash dividends on Stock. The number of additional shares of Stock (rounded to the nearest whole number) to be so credited shall be determined by dividing (a) the amount of cash dividends paid on such date with respect to the number of shares of Stock represented by the shares of Stock underlying such award previously credited to the Participant by (b) the Fair Market Value per share of Stock on such date. Dividend Equivalents may be paid currently or may be accumulated and paid to the extent that such award becomes nonforfeitable, as determined by the Board. Settlement of Dividend Equivalents may be made in cash, shares of Stock, or a combination thereof as determined by the Board, and may be paid on the same basis as settlement of the related award. In the event of a dividend or distribution paid in shares of Stock or any other adjustment made upon a change in the capital structure of the Company as described in Section 4.2, appropriate adjustments shall be made in the Participant's Other Type of Awards so that it represents the right to receive upon settlement any and all new, substituted or additional securities or other property (other than normal cash dividends) to which the Participant would be entitled by reason of the shares of Stock issuable upon settlement of the award, and all such new, substituted or additional securities or other property shall be immediately subject to the same Performance Goals as are applicable to the Award.

9.13 Nontransferability of Awards. Prior to settlement or payment of any Other Type of Award in accordance with the provisions of the Plan, no such award shall be subject in any manner to anticipation, alienation, sale, exchange, transfer, assignment, pledge, encumbrance, or garnishment by creditors of the Participant or the Participant's beneficiary, except transfer by will or by the laws of descent and distribution. All rights with respect to such award granted to a Participant hereunder shall be exercisable during his or her lifetime only by such Participant or the Participant's guardian or legal representative.

10. TERMS AND CONDITIONS OF ANY PERFORMANCE-BASED AWARD.

10.1 Purpose. The purpose of this Section 11 is to provide the Committee the ability to qualify Awards (other than Options and SARs) that are granted pursuant to Sections 9 and 10 as qualified performance-based compensation under Section 162(m). If the Committee, in its discretion, decides to grant a Performance-Based Award subject to Performance Goals to a Covered Employee, the provisions of this Section 11 will control over any contrary provision in the Plan; provided, however, that the Committee may in its discretion grant Awards to such Covered Employees that are based on Performance Goals or other specific criteria or goals but that do not satisfy the requirements of this Section 11.

10.2 Applicability. This Section 11 will apply to those Covered Employees which are selected by the Committee to receive any Award subject to Performance Goals. The designation of a Covered Employee as being subject to Section 162(m) will not in any manner entitle the Covered Employee to receive an Award under the Plan. Moreover, designation of a Covered Employee subject to Section 162(m) for a particular Performance Period will not

require designation of such Covered Employee in any subsequent Performance Period and designation of one Covered Employee will not require designation of any other Covered Employee in such period or in any other period.

10.3 Procedures with Respect to Performance Based Awards. To the extent necessary to comply with the performance-based compensation of Section 162(m), with respect to any Award granted subject to Performance Goals, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m)), the Committee will, in writing, (a) designate one or more Participants who are Covered Employees, (b) select the Performance Goals applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee will certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amounts earned by a Covered Employee, the Committee will have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period.

10.4 Payment of Performance Based Awards. Unless otherwise provided in the applicable Award Agreement, a Covered Employee must be employed by the Participating Company Group on the day a Performance-Based Award for such Performance Period is paid to the Covered Employee. Furthermore, a Covered Employee will be eligible to receive payment pursuant to a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved.

10.5 Additional Limitations. Notwithstanding any other provision of the Plan, any Award which is granted to a Covered Employee and is intended to constitute qualified performance based compensation under Section 162(m) will be subject to any additional limitations set forth in the Code (including any amendment to Section 162(m) or any regulations and ruling issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m), and the Plan will be deemed amended to the extent necessary to conform to such requirements.

11. STANDARD FORMS OF AWARD AGREEMENT.

11.1 Award Agreements. Each Award shall comply with and be subject to the terms and conditions set forth in the appropriate form of Award Agreement approved by the Board and as amended from time to time. Any Award Agreement may consist of an appropriate form of Notice of Grant and a form of Agreement incorporated therein by reference, or such other form or forms as the Board may approve from time to time.

11.2 Authority to Vary Terms. The Board shall have the authority from time to time to vary the terms of any standard form of Award Agreement either in connection with the grant or amendment of an individual Award or in connection with the authorization of a new standard form or forms; provided, however, that the terms and conditions of any such new, revised or amended standard form or forms of Award Agreement are not inconsistent with the terms of the Plan.

12. CHANGE IN CONTROL.

12.1 Definitions.

(a) An “**Ownership Change Event**” shall be deemed to have occurred if any of the following occurs with respect to the Company: (i) the direct or indirect sale or exchange in a single or series of related transactions by the stockholders of the Company of more than fifty percent (50%) of the voting stock of the Company; (ii) a merger or consolidation in which the Company is a party; (iii) the sale, exchange, or transfer of all or substantially all of the assets of the Company (other than a sale, exchange or transfer to one or more subsidiaries of the Company); or (iv) a liquidation or dissolution of the Company.

(b) A “**Change in Control**” shall mean an Ownership Change Event or a series of related Ownership Change Events (collectively, a “**Transaction**”) in which the stockholders of the Company immediately before the Transaction do not retain immediately after the Transaction, in substantially the same proportions as their ownership of shares of the Company’s voting stock immediately before the Transaction, direct or indirect beneficial ownership of more than fifty percent (50%) of the total combined voting power of the outstanding voting securities of the Company or, in the case of an Ownership Change Event described in Section 13.1(a)(iii), the entity to which the assets of the Company were transferred (the “**Transferee**”), as the case may be. For purposes of the preceding sentence, indirect beneficial ownership shall include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company or the Transferee, as the case may be, either directly or through one or more subsidiary corporations or other business entities. The Board shall have the right to determine whether multiple sales or exchanges of the voting securities of the Company or multiple Ownership Change Events are related, and its determination shall be final, binding and conclusive.

12.2 Effect of Change in Control on Options and SARs.

(a) **Accelerated Vesting.** Notwithstanding any other provision of the Plan to the contrary, the Board, in its sole discretion, may provide in any Award Agreement or, in the event of a Change in Control, may take such actions as it deems appropriate to provide for the acceleration of the exercisability and vesting in connection with such Change in Control of any or all outstanding Options and SARs and shares acquired upon the exercise of such Options and SARs upon such conditions and to such extent as the Board shall determine.

(b) **Assumption or Substitution.** In the event of a Change in Control, the Acquiring Corporation may, without the consent of the Participant, either assume the Company’s rights and obligations under outstanding Options and SARs or substitute for outstanding Options and SARs substantially equivalent options and stock appreciation rights for the Acquiring Corporation’s stock. In the event that the Acquiring Corporation elects not to assume or substitute for outstanding Options and SARs in connection with a Change in Control, or if the Acquiring Corporation is not a “publicly held corporation” within the meaning of Section 162(m), the exercisability and vesting of each such outstanding Option, SAR and any shares acquired upon the exercise thereof held by a Participant whose Service has not terminated prior to such date shall be accelerated, effective as of the date ten (10) days prior to the date of the Change in Control. The exercise or vesting of any Option, SAR and any shares acquired upon the exercise thereof that was permissible solely by reason of this Section 13.2 and the provisions of such applicable Award Agreement shall be conditioned upon the consummation of the Change in Control. Any Options and SARs which are neither assumed or substituted for by the Acquiring Corporation in connection with the Change in Control nor exercised as of the date of the Change in Control shall terminate and cease to be outstanding effective as of the date of the Change in Control. Notwithstanding the foregoing, shares acquired upon exercise of an Option prior to the Change in Control and any consideration received pursuant to the Change in Control with respect to such shares shall continue to be subject to all applicable provisions of the applicable Award Agreement evidencing such Option or SAR except as otherwise provided in such applicable Award Agreement. Furthermore, notwithstanding the foregoing, if the corporation the stock of which is subject to the outstanding Options and SARs immediately prior to an Ownership Change Event described in Section 13.1(a)(i) constituting a Change in Control is the surviving or continuing corporation and immediately after such Ownership Change Event less than fifty percent (50%) of the total combined voting power of its voting stock is held by another corporation or by other corporations that are members of an affiliated group within the meaning of Section 1504(a) of the

Code without regard to the provisions of Section 1504(b) of the Code, the outstanding Options and SARs shall not terminate unless the Board otherwise provides in its discretion.

(c) Cash-Out. The Board may, in its sole discretion and without the consent of any Participant, determine that, upon the occurrence of a Change in Control, each or any Option or SAR outstanding immediately prior to the Change in Control shall be canceled in exchange for a payment with respect to each vested share of Stock subject to such canceled Option or SAR in (i) cash, (ii) stock of the Company or of a corporation or other business entity a party to the Change in Control, or (iii) other property which, in any such case, shall be in an amount having a Fair Market Value equal to the excess of the Fair Market Value of the consideration to be paid per share of Stock in the Change in Control over the exercise price per share under such Option or SAR (the “**Spread**”). In the event such determination is made by the Board, the Spread (reduced by applicable withholding taxes, if any) shall be paid to Participants in respect of their canceled Options and SARs as soon as practicable following the date of the Change in Control.

12.3 Effect of Change in Control on Restricted Stock and Other Type of Awards. The Board may, in its discretion, provide in any Award Agreement evidencing a Restricted Stock or Other Type of Award that, in the event of a Change in Control, the lapsing of any applicable Vesting Condition, Restriction Period or Performance Goal applicable to the shares subject to such Award held by a Participant whose Service has not terminated prior to the Change in Control shall be accelerated and/or waived effective immediately prior to the consummation of the Change in Control to such extent as specified in such Award Agreement. Any acceleration, waiver or the lapsing of any restriction that was permissible solely by reason of this Section 12.3 and the provisions of such Award Agreement shall be conditioned upon the consummation of the Change in Control.

13. PROVISION OF INFORMATION.

Each Participant shall be given access to information concerning the Company equivalent to that information generally made available to the Company’s common stockholders.

14. COMPLIANCE WITH SECURITIES LAW.

The grant of Options and the issuance of shares of Stock upon exercise of Options shall be subject to compliance with all applicable requirements of federal, state and foreign law with respect to such securities. Options may not be exercised if the issuance of shares of Stock upon exercise would constitute a violation of any applicable federal, state or foreign securities laws or other law or regulations or the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, no Option may be exercised unless (a) a registration statement under the Securities Act shall at the time of exercise of the Option be in effect with respect to the shares issuable upon exercise of the Option or (b) in the opinion of legal counsel to the Company, the shares issuable upon exercise of the Option may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company’s legal counsel to be necessary to the lawful issuance and sale of any shares hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained. As a condition to the exercise of any Option, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

15. TAX WITHHOLDING.

15.1 Tax Withholding in General. The Company shall have the right to deduct from any and all payments made under the Plan, or to require the Participant, through payroll withholding, cash payment or otherwise, including by means of a Cashless Exercise of an Option, to make adequate provision for, the federal, state, local and foreign taxes, if any, required by law to be withheld by the Participating Company Group with respect to an Award or the shares acquired pursuant thereto. The Company shall have no obligation to deliver shares of Stock, to release shares of Stock from an escrow established pursuant to an Award Agreement, or to make any payment in cash under the Plan until the Participating Company Group’s tax withholding obligations have been satisfied by the Participant.

15.2 Withholding in Shares. The Company shall have the right, but not the obligation, to deduct from the shares of Stock issuable to a Participant upon the exercise or settlement of an Award, or to accept from the Participant the tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the tax withholding obligations of the Participating Company Group. The Fair Market Value of any shares of Stock withheld or tendered to satisfy any such tax withholding obligations shall not exceed the amount determined by the applicable minimum statutory withholding rates.

16. TERMINATION OR AMENDMENT OF PLAN.

The Board may terminate or amend the Plan at any time. However, subject to changes in applicable law, regulations or rules that would permit otherwise, without the approval of the Company’s stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Section 4.2), (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the Plan that would require approval of the Company’s stockholders under any applicable law, regulation or rule. No termination or amendment of the Plan shall affect any then outstanding Option unless expressly provided by the Board. In any event, no termination or amendment of the Plan may adversely affect any then outstanding Option without the consent of the Participant, unless such termination or amendment is required to enable an Option designated as an Incentive Stock Option to qualify as an Incentive Stock Option or is necessary to comply with any applicable law, regulation or rule.

17. STOCKHOLDER APPROVAL.

The Plan or any increase in the maximum aggregate number of shares of Stock issuable thereunder as provided in Section 4.1 (the “**Authorized Shares**”) shall be approved by the stockholders of the Company within twelve (12) months of the date of adoption thereof by the Board. Options granted prior to stockholder approval of the Plan or in excess of the Authorized Shares previously approved by the stockholders shall become exercisable no earlier than the date of stockholder approval of the Plan or such increase in the Authorized Shares, as the case may be.

4. **Shares Subject to Plan.**

4.1 **Maximum Number of Shares Issuable.** Subject to adjustment as provided in Section 4.2, the maximum aggregate number of shares of Stock that may be issued under the Plan shall be one million four hundred thousand (1,400,000) and shall consist of authorized but unissued or reacquired shares of the Stock, or any combination thereof. If an outstanding Purchase Right for any reason expires or is terminated or canceled, the shares of Stock allocable to the unexercised portion of such Purchase Right shall again be available for issuance under the Plan.

4.2 **Adjustments for Changes in Capital Structure.** In the event of any stock dividend, stock split, reverse stock split, recapitalization, combination, reclassification or similar change in the capital structure of the Company, or in the event of any merger (including a merger effected for the purpose of changing the Company's domicile), sale of assets or other reorganization in which the Company is a party, appropriate adjustments shall be made to the number and class of shares subject to the Plan, to the Per Offering Share Limit set forth in Section 8.1 and to each Purchase Right and to the Purchase Price.

5.2 **Leased Employees Excluded.** Notwithstanding anything herein to the contrary, any individual performing services for a Participating Company solely through a leasing agency or employment agency shall not be deemed an "Employee" of such Participating Company.

6. **Offerings.**

6.1 **Offering Periods.** Except as otherwise set forth below, the Plan shall be implemented by sequential Offerings of six (6) months duration (an "Offering Period"). Subsequent Offerings shall commence on the first days of November and May of each year and end on the last days of the first April and October, respectively, occurring thereafter. Notwithstanding the foregoing, the Board may establish a different term for one or more Offerings or different commencing or ending dates for such Offerings; provided, however, that no Offering may exceed a term of twenty-seven (27) months. An Employee who becomes an Eligible Employee after an Offering Period has commenced shall not be eligible to participate in such Offering but may participate in any subsequent Offering provided such Employee is still an Eligible Employee as of the commencement of any such subsequent Offering. In the event the first or last day of an Offering Period is not a business day, the Company shall specify the business day that will be deemed the first or last day, as the case may be, of the Offering Period.

6.2 **Governmental Approval; Stockholder Approval.** Notwithstanding any other provision of the Plan to the contrary, any Purchase Right granted pursuant to the Plan shall be subject to (a) obtaining all necessary governmental approvals or qualifications of the sale or issuance of the Purchase Rights or the shares of Stock and (b) obtaining stockholder approval of the Plan.

7. **Participation in the Plan.**

7.1 **Initial Participation.** An Eligible Employee shall become a Participant on the first Offering Date after satisfying the eligibility requirements of Section 5 and delivering to the Company's payroll office or other office designated by the Company not later than the close of business for such office on the last business day before such Offering Date (the "Subscription Date") a subscription agreement indicating the Employee's election to participate in the Plan and authorizing payroll deductions. An Eligible Employee who does not deliver a subscription agreement to the Company's payroll or other designated office on or before the Subscription Date shall not participate in the Plan for that Offering Period or for any subsequent Offering Period unless such Employee subsequently enrolls in the Plan by filing a subscription agreement with the Company by the Subscription Date for such subsequent Offering Period. The Company may, from time to time, change the Subscription Date as deemed advisable by the Company in its sole discretion for proper administration of the Plan.

7.2 **Continued Participation.** A Participant shall automatically participate in each subsequent Offering Period until such time as such Participant (a) ceases to be an Eligible Employee, (b) withdraws from the Plan pursuant to Section 13.2 or (c) terminates employment as provided in Section 14. If a Participant automatically may participate in a subsequent Offering Period pursuant to this Section 7.2, then the Participant is not required to file any additional subscription agreement for such subsequent Offering Period in order to continue participation in the Plan. However, a Participant may file a subscription agreement with respect to a subsequent Offering Period if the Participant desires to change any of the Participant's elections contained in the Participant's then effective subscription agreement.

8. **Right to Purchase Shares.**

8.1 **Purchase Right.** Except as set forth below, during an Offering Period each Participant shall have a Purchase Right consisting of the right to purchase up to that number of whole shares of Stock arrived at by dividing Twelve Thousand Five Hundred Dollars (\$12,500) by the Fair Market Value of a share of Stock on the Offering Date of such Offering Period. Shares of Stock may only be purchased through a Participant's payroll deductions pursuant to Section 10.

8.2 **Pro Rata Adjustment of Purchase Right.** Notwithstanding the foregoing, if the Board shall establish an Offering Period of less than five and one-half (5 1/2) months or more than six and one-half (6 1/2) months in duration, the dollar amount in Section 8.1 shall be determined by multiplying \$2,083.33 by the number of months in the Offering Period and rounding to the nearest whole dollar. For purposes of the preceding sentence, fractional months shall be rounded to the nearest whole month.

9. **Purchase Price.** The Purchase Price at which each share of Stock may be acquired in a given Offering Period pursuant to the exercise of all or any portion of a Purchase Right granted under the Plan shall be set by the Board; provided, however, that the Purchase Price shall not be less than eighty-five percent (85%) of the lesser of (a) the Fair Market Value of a share of Stock on the Offering Date of the Offering Period, or (b) the Fair Market Value of a share of Stock on the Purchase Date of the Offering Period. Unless otherwise provided by the Board prior to the commencement of an Offering Period, the Purchase Price for that Offering Period shall be eighty-five percent (85%) of the lesser of (a) the Fair Market Value of a share of Stock on the Offering Date of the Offering Period, or (b) the Fair Market Value of a share of Stock on the Purchase Date of the Offering Period.

10. **Accumulation of Purchase Price through Payroll Deduction.** Shares of Stock which are acquired pursuant to the exercise of all or any portion of a Purchase Right for an Offering Period may be paid for only by means of payroll deductions from the Participant's Compensation accumulated during the Offering Period. Except as set forth below, the amount of Compensation to be deducted from a Participant's Compensation during each pay period shall be determined by the Participant's subscription agreement.

10.1 **Commencement of Payroll Deductions.** Payroll deductions shall commence on the first payday following the Offering Date and shall continue to the end of the Offering Period unless sooner altered or terminated as provided in the Plan.

10.2 **Limitations on Payroll Deductions.** The amount of payroll deductions with respect to the Plan for any Participant during any pay period shall be in one percent (1%) increments not to exceed ten percent (10%) of the Participant's Compensation for such pay period. Notwithstanding the foregoing, the Board may change the limits on payroll deductions effective as of a future Offering Date, as determined by the Board. Amounts deducted from Compensation shall be reduced by any amounts contributed by the Participant and applied to the purchase of Company stock pursuant to any other employee stock purchase plan qualifying under Section 423 of the Code.

10.3 **Election to Increase, Decrease or Stop Payroll Deductions.** During an Offering Period, a Participant may elect to increase or decrease the amount deducted or stop deductions from his or her Compensation by filing an amended subscription agreement with the Company on or before the "Change Notice Date." The "**Change Notice Date**" shall initially be the seventh (7th) day prior to the end of the first pay period for which such election is to be effective; however, the Company may change such Change Notice Date from time to time.

10.4 **Participant Accounts.** Individual Plan accounts shall be maintained for each Participant. All payroll deductions from a Participant's Compensation shall be credited to such account and shall be deposited with the general funds of the Company. All payroll deductions received or held by the Company may be used by the Company for any corporate purpose.

10.5 **No Interest Paid.** Interest shall not be paid on sums deducted from a Participant's Compensation pursuant to the Plan.

10.6 **Company Established Procedures.** The Company may, from time to time, establish or change (a) a minimum required payroll deduction amount for participation in an Offering, (b) limitations on the frequency or number of changes in the rate of payroll deduction during an Offering, (c) an exchange ratio applicable to amounts withheld in a currency other than U.S. dollars, (d) payroll deduction in excess of or less than the amount designated by a Participant in order to adjust for delays or mistakes in the Company's processing of subscription agreements, (e) the date(s) and manner by which the Fair Market Value of a share of Stock is determined for purposes of administration of the Plan, or (f) such other limitations or procedures as deemed advisable by the Company in the Company's sole discretion which are consistent with the Plan and in accordance with the requirements of Section 423 of the Code.

11. **Purchase of Shares.**

11.1 **Exercise of Purchase Right.** On each Purchase Date, each Participant who has not withdrawn from the Offering or whose participation in the Offering has not terminated on or before such Purchase Date shall automatically acquire pursuant to the exercise of the Participant's Purchase Right the number of whole shares of Stock arrived at by dividing the total amount of the Participant's accumulated payroll deductions for the Purchase Period by the Purchase Price; provided, however, in no event shall the number of shares purchased by the Participant during an Offering Period exceed the number of shares subject to the Participant's Purchase Right. No shares of Stock shall be purchased on a Purchase Date on behalf of a Participant whose participation in the Offering or the Plan has terminated on or before such Purchase Date.

11.2 **Return of Cash Balance.** Any cash balance remaining in the Participant's Plan account shall be refunded to the Participant as soon as practicable after the Purchase Date. In the event the cash to be returned to a Participant pursuant to the preceding sentence is an amount less than the amount necessary to purchase a whole share of Stock, the Company may establish procedures whereby such cash is maintained in the Participant's Plan account and applied toward the purchase of shares of Stock in the subsequent Offering Period.

11.3 **Tax Withholding.** At the time a Participant's Purchase Right is exercised, in whole or in part, or at the time a Participant disposes of some or all of the shares of Stock he or she acquires under the Plan, the Participant shall make adequate provision for the foreign, federal, state and local tax withholding obligations of the Participating Company Group, if any, which arise upon exercise of the Purchase Right or upon such disposition of shares, respectively. The Participating Company Group may, but shall not be obligated to, withhold from the Participant's compensation the amount necessary to meet such withholding obligations.

11.4 **Expiration of Purchase Right.** Any portion of a Participant's Purchase Right remaining unexercised after the end of the Offering Period to which such Purchase Right relates shall expire immediately upon the end of such Offering Period.

12. **Limitations on Purchase of Shares; Rights as a Stockholder.**

12.1 **Fair Market Value Limitation.** Notwithstanding any other provision of the Plan, no Participant shall be entitled to purchase shares of Stock under the Plan (or any other employee stock purchase plan which is intended to meet the requirements of Section 423 of the Code sponsored by the Company or a Parent Corporation or Subsidiary Corporation at a rate which exceeds \$25,000 in Fair Market Value, which Fair Market Value is determined for shares purchased during a given Offering Period as of the Offering Date (or such other limit as may be imposed by the Code), for each calendar year in which the Participant participates in the Plan (or any other employee stock purchase plan described in this sentence).

12.2 **Pro Rata Allocation.** In the event the number of shares of Stock which might be purchased by all Participants in the Plan exceeds the number of shares of Stock available in the Plan, the Company shall make a pro rata allocation of the remaining shares in as uniform a manner as shall be practicable and as the Company shall determine to be equitable.

12.3 **Rights as a Stockholder and Employee.** A Participant shall have no rights as a stockholder by virtue of the Participant's participation in the Plan until the date of the issuance of a stock certificate for the shares of Stock being purchased pursuant to the exercise of the Participant's Purchase Right. No adjustment shall be made for cash dividends or distributions or other rights for which the record date is prior to the date such stock certificate is issued. Nothing herein shall confer upon a Participant any right to continue in the employ of the Participating Company Group or interfere in any way with any right of the Participating Company Group to terminate the Participant's employment at any time.

13. **Withdrawal.**

13.1 **Withdrawal From an Offering.** A Participant may withdraw from an Offering by signing and delivering to the Company's payroll or other designated office a written notice of withdrawal on a form provided by the Company for such purpose. Such withdrawal may be elected at any time prior to the end of an Offering Period. Unless otherwise indicated, withdrawal from an Offering shall not result in a withdrawal from the Plan or any succeeding Offering therein. A Participant is prohibited from again participating in an Offering at any time following withdrawal from such Offering. The Company may impose, from time to time, a requirement that the notice of withdrawal be on file with the Company's payroll office or other designated office for a reasonable period prior to the effectiveness of the Participant's withdrawal from an Offering.

13.2 **Withdrawal from the Plan.** A Participant may withdraw from the Plan by signing and delivering to the Company's payroll office or other designated office a written notice of withdrawal on a form provided by the Company for such purpose. Withdrawals made after a Purchase Date shall not affect shares of Stock acquired by the Participant on such Purchase Date. In the event a Participant voluntarily elects to withdraw from the Plan, the Participant may not resume participation in the Plan during the same Offering Period, but may participate in any subsequent Offering under the Plan by again satisfying the requirements of Sections 5 and 7.1. The Company may impose, from time to time, a requirement that the notice of withdrawal be on file with the Company's payroll office or other designated office for a reasonable period prior to the effectiveness of the Participant's withdrawal from the Plan.

13.3 **Return of Payroll Deductions.** Upon a Participant's withdrawal from an Offering or the Plan pursuant to Sections 13.1 or 13.2, respectively, the Participant's accumulated payroll deductions which have not been applied toward the purchase of shares of Stock shall be returned as soon as practicable after the withdrawal, without the payment of any interest, to the Participant, and the Participant's interest in the Offering or the Plan, as applicable, shall terminate. Such accumulated payroll deductions may not be applied to any other Offering under the Plan.

14. **Termination of Employment or Eligibility.** Termination of a Participant's employment with a Participating Company for any reason, including retirement, disability or death or the failure of a Participant to remain an Eligible Employee, shall terminate the Participant's participation in the Plan immediately. In such event, the payroll deductions credited to the Participant's Plan account since the last Purchase Date shall, as soon as practicable, be returned to the Participant or, in the case of the Participant's death, to the Participant's legal representative, and all of the Participant's rights under the Plan shall terminate. Interest shall not be paid on sums returned to a Participant pursuant to this Section 14. A Participant whose participation has been so terminated may again become eligible to participate in the Plan by again satisfying the requirements of Sections 5 and 7.1.

15. **Transfer of Control.**

15.1 **Definitions.**

(a) An "**Ownership Change Event**" shall be deemed to have occurred if any of the following occurs with respect to the Company: (i) the direct or indirect sale or exchange in a single or series of related transactions by the stockholders of the Company of more than fifty percent (50%) of the voting stock of the Company; (ii) a merger or consolidation in which the Company is a party; (iii) the sale, exchange, or transfer of all or substantially all of the assets of the Company; or (iv) a liquidation or dissolution of the Company.

(b) A "**Transfer of Control**" shall mean an Ownership Change Event or a series of related Ownership Change Events (collectively, the "**Transaction**") wherein the stockholders of the Company immediately before the Transaction do not retain immediately after the Transaction, in substantially the same proportions as their ownership of shares of the Company's voting stock immediately before the Transaction, direct or indirect beneficial ownership of more than fifty percent (50%) of the total combined voting power of the outstanding voting stock of the Company or the corporation or corporations to which the assets of the Company were transferred (the "**Transferee Corporation(s)**"), as the case may be. For purposes of the preceding sentence, indirect beneficial ownership shall include, without limitation, an interest resulting from ownership of the voting stock of one or more corporations which, as a result of the Transaction, own the Company or the Transferee Corporation(s), as the case may be, either directly or through one or more subsidiary corporations. The Board shall have the right to determine whether multiple sales or exchanges of the voting stock of the Company or multiple Ownership Change Events are related, and its determination shall be final, binding and conclusive.

15.2 **Effect of Transfer of Control on Purchase Rights.** In the event of a Transfer of Control, the surviving, continuing, successor, or purchasing corporation or parent corporation thereof, as the case may be (the "**Acquiring Corporation**"), may assume the Company's rights and obligations under the Plan or substitute substantially equivalent Purchase Rights for stock of the Acquiring Corporation. If the Acquiring Corporation elects not to assume or substitute for the outstanding Purchase Rights, the Board shall, notwithstanding any other provision herein to the contrary, adjust the Purchase Date of the then current Offering Period to a date immediately before the date of the Transfer of Control, but shall not adjust the number of shares of Stock subject to any Purchase Right. All Purchase Rights which are neither assumed or substituted for by the Acquiring Corporation in connection with the Transfer of Control nor exercised as of the date of the Transfer of Control shall terminate and cease to be outstanding effective as of the date of the Transfer of Control. Notwithstanding the foregoing, if the corporation the stock of which is subject to the outstanding Purchase Rights immediately prior to an Ownership Change Event described in Section 15.1(a)(i) constituting a Transfer of Control is the surviving or continuing corporation and immediately after such Ownership Change Event less than fifty percent (50%) of the total combined voting power of its voting stock is held by another corporation or by other corporations that are members of an affiliated group within the meaning of section 1504(a) of the Code without regard to the provisions of section 1504(b) of the Code, the outstanding Purchase Rights shall not terminate unless the Board otherwise provides in its sole discretion.

16. **Nontransferability of Purchase Rights.** A Purchase Right may not be transferred in any manner otherwise than by will or the laws of descent and distribution and shall be exercisable during the lifetime of the Participant only by the Participant. Any attempt to pledge, assign or transfer such Purchase Rights or accumulated payroll deductions shall be treated as an election to withdraw from the Plan. The Company, in its absolute discretion, may impose such restrictions on the transferability of the shares purchasable upon the exercise of a Purchase Right as it deems appropriate and any such restriction shall be set forth in the respective subscription agreement and may be referred to on the certificates evidencing such shares.

17. **Reports.** Each Participant who exercised all or part of his or her Purchase Right for an Offering Period shall receive, as soon as practicable after the Purchase Date, a report of such Participant's Plan account setting forth the total payroll deductions accumulated, the number of shares of Stock purchased, the

Purchase Price for such shares, the date of purchase and the remaining cash balance to be refunded or retained in the Participant's Plan account pursuant to Section 11.2, if any. Each Participant shall be provided information concerning the Company equivalent to that information generally made available to the Company's common stockholders.

18. **Restriction on Issuance of Shares.** The issuance of shares under the Plan shall be subject to compliance with all applicable requirements of foreign, federal or state law with respect to such securities. A Purchase Right may not be exercised if the issuance of shares upon such exercise would constitute a violation of any applicable foreign, federal or state securities laws or other law or regulations. In addition, no Purchase Right may be exercised unless (a) a registration statement under the Securities Act of 1933, as amended, shall at the time of exercise of the Purchase Right be in effect with respect to the shares issuable upon exercise of the Purchase Right, or (b) in the opinion of legal counsel to the Company, the shares issuable upon exercise of the Purchase Right may be issued in accordance with the terms of an applicable exemption from the registration requirements of said Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to the lawful issuance and sale of any shares under the Plan shall relieve the Company of any liability in respect of the failure to issue or sell such shares as to which such requisite authority shall not have been obtained. As a condition to the exercise of a Purchase Right, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation, and to make any representation or warranty with respect thereto as may be requested by the Company.

19. **Legends.** The Company may at any time place legends or other identifying symbols referencing any applicable foreign, federal or state securities law restrictions or any provision convenient in the administration of the Plan on some or all of the certificates representing shares of Stock issued under the Plan. The Participant shall, at the request of the Company, promptly present to the Company any and all certificates representing shares acquired pursuant to a Purchase Right in the possession of the Participant in order to carry out the provisions of this Section. Unless otherwise specified by the Company, legends placed on such certificates may include but shall not be limited to the following:

"THE SHARES EVIDENCED BY THIS CERTIFICATE WERE ISSUED BY THE CORPORATION TO THE REGISTERED HOLDER UPON THE PURCHASE OF SHARES UNDER AN EMPLOYEE STOCK PURCHASE PLAN AS DEFINED IN SECTION 423 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED. THE TRANSFER AGENT FOR THE SHARES EVIDENCED HEREBY SHALL NOTIFY THE CORPORATION IMMEDIATELY OF ANY TRANSFER OF THE SHARES BY THE REGISTERED HOLDER HEREOF MADE ON OR BEFORE _____, 20_. THE REGISTERED HOLDER SHALL HOLD ALL SHARES PURCHASED UNDER THE PLAN IN THE REGISTERED HOLDER'S NAME (AND NOT IN THE NAME OF ANY NOMINEE) PRIOR TO THIS DATE."

20. **Notification of Sale of Shares.** The Company may require the Participant to give the Company prompt notice of any disposition of shares acquired by exercise of a Purchase Right within two years from the date of granting such Purchase Right or one year from the date of exercise of such Purchase Right. The Company may require that until such time as a Participant disposes of shares acquired upon exercise of a Purchase Right, the Participant shall hold all such shares in the Participant's name (and not in the name of any nominee) until the lapse of the time periods with respect to such Purchase Right referred to in the preceding sentence. The Company may direct that the certificates evidencing shares acquired by exercise of a Purchase Right refer to such requirement to give prompt notice of disposition.

21. **Amendment or Termination of the Plan.** The Plan shall terminate on the earliest to occur of (i) the date on which all available shares are issued; or (ii) the date on which the outstanding Purchase Rights are exercised in connection with a Transfer of Control. The Board may at any time amend or terminate the Plan, except that (a) such termination shall not affect Purchase Rights previously granted under the Plan, except as permitted under the Plan, and (b) no amendment may adversely affect a Purchase Right previously granted under the Plan (except to the extent permitted by the Plan or as may be necessary to qualify the Plan as an employee stock purchase plan pursuant to Section 423 of the Code or to obtain qualification or registration of the shares of Stock under applicable foreign, federal or state securities laws). In addition, an amendment to the Plan must be approved by the stockholders of the Company within twelve (12) months of the adoption of such amendment if such amendment would (a) authorize the sale of more shares than are authorized for issuance under the Plan; or (b) change the definition of the corporations that may be designated by the Board as Participating Companies; or (c) materially modify the eligibility requirements of the Plan except as required by changes in the Code; or (d) permit payroll deductions with respect to the Plan in excess of 10% of the Participant's Compensation; or (e) materially increase the benefits which may accrue under the Plan.

IN WITNESS WHEREOF, the undersigned Secretary of the Company certifies that the foregoing Cohu, Inc. 1997 Employee Stock Purchase Plan, as amended and restated, was duly adopted by the Board of Directors of the Company on March 17, 2006.
