**Item 1.01 Entry into a Material Definitive Agreement.**

On May 10, 2021, Cohu, Inc. announced that it and certain of its direct and indirect subsidiaries (“Cohu”) and Mycronic AB and certain of its direct and indirect subsidiaries (“Mycronic”) entered into a Share and Asset Purchase Agreement (the “Purchase Agreement”), dated May 10, 2021, pursuant to which Cohu has agreed to sell its Printed Circuit Board Test Group business (“PTG Business”) to Mycronic. Under the terms of the Purchase Agreement, Cohu will sell (i) the entire issued share capital of atg Luther & Maelzer GmbH and Test Solutions (Suzhou) Co., Ltd., (ii) certain intellectual property of the PTG Business held by Xcerra Corporation; and (iii) certain inventory of the PTG Business held by Everett Charles Tech, Inc. for an aggregate purchase price of USD \$125 million in an all-cash transaction (the “Sale Transaction”). The Purchase Agreement provides for a closing accounts mechanism, whereby, following completion, Mycronic will review certain estimated closing accounts and a closing statement prepared and delivered by Cohu subsequent to closing which, once agreed or deemed agreed, will form the basis of an adjustment to the purchase price consideration as a result of movements in working capital, net cash and net debt above or below minimum thresholds. The Purchase Agreement has been unanimously approved by the Board of Directors of Cohu.

The Purchase Agreement contains customary representations, warranties and covenants of the parties, including, among other things, that during the period from the signing of the Purchase Agreement until the earlier of the termination of the Purchase Agreement or the completion of Sale Transaction (the “Closing Date”), Cohu agrees to carry on the PTG Business in the ordinary course of business consistent with past practices and will be restricted from implementing various transactions that can generally be viewed outside the ordinary course of business, unless Mycronic agrees to the implementation of such transactions. Cohu, on behalf of itself and its affiliates, has agreed that for a period of two (2) years after the Closing Date that it will not solicit any employees or customers or otherwise compete with the PTG Business, as more fully described in the Purchase Agreement.

The Purchase Agreement is subject to the amendment of ATG’s articles of association being registered in ATG’s commercial register, the fulfilment of which will result in a delay between signing and the Closing Date and other customary closing deliverables (the “Closing Conditions”). Cohu expects the closing to occur by the end of June 2021, subject to the completion of the Closing Conditions. The Purchase Agreement can be terminated if the Closing Conditions cannot be satisfied before December 24, 2021, unless otherwise mutually agreed to by the parties.

The Purchase Agreement provides that Mycronic is required to obtain a warranty & indemnity insurance policy (the “Policy”) for the Sale Transaction and the issuer of the Policy will provide insurance against breaches by Cohu of the general representations and warranties contained in the Purchase Agreement.

As part of the Sale Transaction, Cohu and Mycronic expect to enter into a Transitional Services Agreement (the “Transitional Services Agreement”) to be effective as of the Closing Date, pursuant to which Cohu will provide limited transitional support for an interim period starting immediately after the Closing Date.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the Purchase Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K.

**Item 8.01. Other Events.**

On May 10, 2021, Cohu issued a press release announcing the entering into of the Purchase Agreement and the sale of the PTG Business. A copy of the press release is attached as Exhibit 99.1 to the Current Report on Form 8-K filed separately by Cohu on May 10, 2021.

Any payments under this Agreement shall be made by wire transfer in immediately available funds, valued as at the relevant due date set out in this Agreement or otherwise provided by law, free of bank and/or any other charges, Taxes or other deductions and the receipt of such payment in the recipient's bank account shall constitute discharge of the relevant obligation to pay.

In the event such resale certificate is not provided in a timely manner, EC Tech may charge applicable sales taxes on the Sold Inventory Purchase Price to the extent such withholding is required by law.

#### 4. PURCHASE PRICE ADJUSTMENT

4.1 On the fifth (5<sup>th</sup>) Business Day prior to the Closing Date, the Parties shall take a joint inventory count (*Inventur*) of ATG's inventory (details of inventory count to be agreed between the Parties). At least two (2) Business Days prior to the Closing Date, Sellers shall prepare and deliver to Purchaser 2 (on behalf of all Purchasers) a statement (the “**Pre-Closing Statement**”) setting forth its good faith estimates (and with respect to inventory based on the inventory count as per this clause 4.1 sentence 1) of Closing Cash (the “**Seller Estimated Closing Cash**”), Closing Indebtedness (the “**Seller Estimated Closing Indebtedness**”) and Closing Net Working Capital (the “**Seller Estimated Closing Net Working Capital**”), together with reasonable supporting calculations.

4.2 The Initial Purchase Price payable at Closing by Purchasers pursuant to clause 3.1 shall be:

4.2.1 increased by the amount of Seller Estimated Closing Cash;

4.2.2 decreased by the amount of Seller Estimated Closing Indebtedness;

4.2.3 increased by the amount, if any, by which Seller Estimated Closing Net Working Capital exceeds the Target Net Working Capital; and

4.2.4 decreased by the amount, if any, by which Seller Estimated Closing Net Working Capital is less than the Target Net Working Capital.

(the sum of the decreases and increases contemplated by the foregoing clauses 4.2.1 through 4.2.4 the “**Estimated Adjustment Amount**”). Sellers' statement as per this clause 4.2 sentence 1 shall also set forth in which amounts the Estimated Adjustment Amount shall be attributed in good faith to the ATG Purchase Price, the TSL Purchase Price and the Sold Inventory.

4.3 On or before the Settlement Date, (i) if the aggregate net amount of the adjustments contemplated by clause 4.2 as set forth in the Final Closing Statement is less than the Estimated Adjustment Amount, then Cohu Semi shall pay on behalf and for the benefit of the Sellers to Purchaser 2 on behalf and for the benefit of the Purchasers an amount equal to such difference, and (ii) if the aggregate net amount of the adjustments contemplated by clause 4.2 as set forth in the Final Closing Statement exceeds the Estimated Adjustment Amount, then Purchaser 2 on behalf and for the benefit of the Purchasers shall pay to Cohu Semi on behalf and for the benefit of the Sellers an amount equal to such difference. “**Settlement Date**” means the fifth (5<sup>th</sup>) Business Day following the date of delivery of the Final Closing Statement as provided in Sections 4.6 and 4.7.

4.4 No later than sixty (60) days following the Closing Date, Purchasers shall prepare and deliver to Sellers a statement (the “**Post-Closing Statement**”) setting forth their good faith calculation of Closing Cash, Closing Indebtedness and Closing Net Working Capital in accordance with the respective definitions of Closing Cash, Closing Indebtedness and Closing Net Working Capital as set forth and defined in **Exhibit 4.4** (in each case calculated as of the Closing Date, 24 hrs), and the calculation of the Consideration based thereon in accordance with decreases and increases contemplated by clause 4.2, together with reasonable supporting calculations and documentation and setting forth in which amounts the Consideration shall be attributed to the ATG Shares, the TSL Shares, the Sold IP and the Sold Inventory. For the avoidance of doubt, in no event shall the Consideration be increased or decreased based upon the calculation of Closing Net Working Capital pursuant to clause 4.2.3 or clause 4.2.4 unless Closing Net Working Capital, as finally determined in accordance with this clause 4, is greater than the Upper Net Working Capital Threshold or lesser than the Lower Net Working Capital Threshold, respectively. A sample Post-Closing Statement is set forth in **Exhibit 4.4**. In the event that any information in the Closing Financial Statement as adopted by ATG's shareholders which has an impact on the Post-Closing Statement differs from such information included in the Post-Closing Statement, the Post-Closing Statement shall be amended accordingly and any resulting difference shall be settled among the Parties accordingly. Clause 4.5 to 4.8 shall apply *mutatis mutandis*.

- 4.6 On or prior to the last day of the Review Period, Sellers may object to the Post-Closing Statement by delivering to Purchaser 2 a reasonably detailed written statement setting forth each disputed item or amount and the basis for Sellers’ objection thereto (the “**Statement of Objections**”). Purchasers and Sellers shall negotiate in good faith to resolve such objections within thirty (30) days after the delivery of the Statement of Objections (the “**Resolution Period**”). If such objections are resolved within the Resolution Period, the Post-Closing Statement shall be revised to reflect such adjustments as mutually agreed in writing by Purchasers and Sellers pursuant to this clause 4.6, and such revised Post-Closing Statement shall be deemed the “**Final Closing Statement**” and shall be final and binding on all Parties. In the event that Sellers fail to deliver the Statement of Objections on or prior to the last day of the Review Period, the Post-Closing Statement shall be deemed to have been accepted by Sellers, shall be deemed the “**Final Closing Statement**” and shall be final and binding on all Parties.
- 4.7 If the Parties fail to reach an agreement with respect to all of the matters set forth in the Statement of Objections within the Resolution Period, then any amounts remaining in dispute (“**Disputed Amounts**”) shall promptly be submitted for resolution to the Selected Accounting Firm, which shall act as expert, and not as arbitrator, in resolving the Disputed Amounts. The Selected Accounting Firm shall only decide the specific items under dispute by the Parties, and its determination of each Disputed Amount must be within the range of values assigned to each such item (i) by Purchasers in the Post-Closing Statement and (ii) by Sellers in the Statement of Objections. The Selected Accounting Firm shall make a determination as soon as practicable, but in any event within thirty (30) days (or such other time as the parties hereto shall agree in writing) after their engagement, and their resolution of the Disputed Amounts and their adjustments to the Post-Closing Statement, in each case in accordance with this clause 4, shall be, absent manifest error, final and binding upon the Parties. The Post-Closing Statement, so adjusted by the Selected Accounting Firm and otherwise reflecting all items that were not subject to a Statement of Objections or resolved between Purchasers and Sellers during the Resolution Period pursuant to clause 4.6, shall be deemed the “**Final Closing Statement**” and shall be final and binding on the Parties.
- 4.8 The fees, costs and expenses of the Selected Accounting Firm shall be borne by Purchasers and Sellers, as the case may be, in inverse proportion as they may prevail on the Disputed Amounts. The proportionate allocation shall be determined by the Selected Accounting Firm and included in its report.

4.9 Any currency conversions shall be determined using the European Central Bank's (ECB) reference rates as published on the ECB's website ([www.ecb.europa.eu](http://www.ecb.europa.eu)) around 4.00 p. m. CET, except as otherwise agreed herein, on the day which is one Business Day prior to the date on which the respective payments become due and payable or on the date of any financial statements to be drawn up under this Agreement (including the Post-Closing Statement). ### 10. SELLERS' & GUARANTEES

#### 10.1 Scope of Sellers' Guarantees

10.1.1 The Sellers hereby guarantee to Purchaser 1 and Purchaser 2 respectively, regardless of fault (*verschuldens-unabhängig*), subject to the requirements and limitations provided in clause 12 hereof, by way of an independent promise of guarantee (*selbstständiges Garantieverprechen*) within the meaning of sec. 311 para. 1 of the German Civil Code (*Bürgerliches Gesetzbuch – “BGB”*), that the statements set forth in clauses 10.2 to 10.21 (the “**Sellers' Guarantees**”) and the corresponding Schedules are correct, complete, and not misleading as of the Signing Date and the Closing Date.

- 10.1.2 The Parties agree and explicitly confirm that the statements set forth in clauses 10.2 to 10.18 shall neither constitute an agreement on the quality within the meaning of sec. 434 para. 1 BGB (*Beschaffensvereinbarung*), nor a warranty concerning the quality of the object of the purchase within the meaning of sec. 443 BGB (*Garantie für die Beschaffenheit der Sache*), but a contractual liability regime of its own kind (*vertragliches Haftungsregime sui generis*).
- 10.1.3 The Sellers' Guarantees are given on the basis that they should be regarded as a risk allocation (*Risikoallokation*) between the Sellers and the Purchaser. While the Sellers confirm to have reviewed and verified the underlying facts and circumstances of each Sellers' Guarantee, the Purchasers acknowledge that the Sellers could not review and verify all underlying facts and circumstances for each Sellers' Guarantee in every detail, particularly in respect of warranties which contain a reference to Applicable Laws. The Purchasers agree that this shall neither be considered fraudulent (*Arglist*) nor as indirect intent (*bedingter Vorsatz*) (for example due to insufficient or inadequate inquiries (*Angaben ins Blaue*) performed by the Sellers or a Seller). For the avoidance of doubt, the above risk allocation shall neither limit nor extend the liability of the Sellers under the Sellers' Guarantees but serves to ensure that the limitations of Sellers' liability, particularly the liability caps, in this Agreement will be regarded as validly agreed pursuant to German law. The provisions in this clause 10.1.3 shall not limit the Sellers' obligation to performing a due inquiry as provided for in clause 10.24.
- 10.1.4 Except in the case of any individual who has acted wilfully (*vorsätzlich*) or fraudulently (*arglistig*), the Purchasers agree and undertake that neither they nor any other member of the Purchaser Group have any rights against, and will waive and shall not make any claim against, any employee, director, advisor or agent of the Company on whom the Purchasers may have relied before agreeing to any term of this Agreement or before entering into this Agreement.
- 10.1.5 The Sellers' Guarantees concerning the Sellers and the Shares (in particular in clauses 10.2 and 10.4) are given by each Seller as an individual debtor (*als Einzelschuldner*) and only in relation to itself and to those Shares sold by such Seller under this Agreement and, thus, each Seller shall only be liable to the respective Purchaser as an individual debtor (*als Einzelschuldner*) for its own due capacity and Shares. With regard to all other Sellers' Guarantees, the Sellers shall be liable to the Purchaser as several debtors (*als Teilschuldner*) as stipulated in more detail in clause 21.

Such exclusive exploitation rights include ATG’s exclusive, perpetual, irrevocable, non-terminable rights to further develop, change, otherwise modify, import, export, and commercialize the Proprietary Software in any known and currently unknown manner (and/or have others (be it other Group Companies or third parties) to do any of this), and all such rights are not limited in time, territory or scope and are freely transferrable and sublicensable (at multiple levels).

Except as otherwise outlined in **Schedule 10.21.1.3**, ATG (and the other Group Companies) have been using the OSS at all times in compliance with the applicable OSS-license terms (for example, GPLv1, GPLv2, GPLv3 and LGPLv2). - 10.21.1.4 To the extent that ATG (and/or any other Group Company) has been using third party software (for example, together with the Proprietary Software installed on a test system or otherwise for or in connection with the IT Systems) (“**Third Party Software**”), such use by ATG and the other Group Companies has been at all times in compliance with the third party software license terms (for example, where ATG has installed the Third Party Software on their test systems sold or otherwise distributed to its customers, the Third Party Software license terms explicitly allow such sale or other distribution and use by the customer).
- 10.21.1.5 ATG (and/or any other Group Company) have granted licenses (for example, to customers or distributors) with respect to the Proprietary Software only in object code and/or scripts and only on a non-exclusive basis strictly limited to the extent such use is required for the operation of the test system in accordance with the applicable ATG test system manual.

- 10.21.4 Except as disclosed in **Schedule 10.21.4**, to the Sellers' Knowledge, none of the Group Companies has infringed or is, actually, infringing any Intellectual Property Rights of third parties (including OSS and Third Party Software), and, to the Sellers' Knowledge, no third party or any Sellers' Group Company has infringed or is, actually or likely, infringing the Proprietary Software.

- 12.2.3 Any Disclosed Information Fairly Disclosed shall be deemed to be disclosed for all of the Sellers’ Guarantees, irrespective of whether such disclosure has been made with respect to a specific item or guarantee.

### 12.3 **Notice**

- 12.3.1 In the event of any Breach of Guarantee, the respective Purchaser shall give the Sellers written notice thereof without undue delay, describing in reasonable detail all facts or circumstances that give rise to the Breach of Guarantee and (as far as possible) the monetary value of the claim.

- 12.3.2 The respective Purchaser shall allow, and shall cause the Group Companies to allow, the Sellers and their accountants and their professional advisors to investigate the matter or circumstances alleged to give rise to a Guarantee Claim. For such purpose, the respective Purchaser shall, and shall cause the Group Companies to, provide such information and assistance as the Sellers or its accountants or professional advisors may reasonably request in order to evaluate the Guarantee Claim.

### 12.4 **Third Party Claims**

- 12.4.1 If a Purchaser becomes aware of any claim threatened or asserted by a third party (including a public authority) or of any other matter or circumstance which is reasonably likely to result in a Breach of Guarantee (“**Third Party Claim**”), the respective Purchaser shall promptly (and in any event within ten (10) Business Days of the respective Purchaser becoming aware of it) give written notice thereof to the Sellers, specifying the basis for such Third Party Claim in reasonable detail therein and supplying the Sellers with any time-sensitive documents, and shall grant the Sellers the opportunity to defend the respective Purchaser or any of the Group Companies against the Third Party Claim. Clause 12.3.2 shall apply accordingly.

- 12.4.2 In the event of a Third Party Claim, the Purchasers agree, and shall cause the Group Companies, to permit Sellers and their representatives to participate in the defense against the Third Party Claim. The foregoing shall include (i) to furnish to Sellers and their representatives in due course copies of any correspondence received from or sent to any third party (including any questions or information requests by any competent court of authority) in connection with the Third Party claim, (ii) to provide them access, upon reasonable advance notice and during normal business hours, to all relevant books and records, other information, premises and personnel, and (iii) to give them the opportunity to participate in all meetings, conferences and discussions with the third party and to comment on any material correspondence and other material communication to be sent to the third party. The Purchasers shall further ensure that no Third Party Claim shall be settled, acknowledged or conceded without Sellers’ prior written consent.

- 12.4.3 In case the Sellers notify the respective Purchaser within twenty (20) Business Days after receipt of the notice according to clause 12.4.1 in writing and acknowledging their liability for the Third Party Claim (if any), the Sellers have the unconditional right to
- 12.4.3.1 participate in and lead all negotiations and correspondence with the third party,
  - 12.4.3.2 appoint and instruct legal counsel to act for and on behalf of the respective Purchaser or any of the Group Companies, and
  - 12.4.3.3 request that a claim be litigated or settled out of court in accordance with the Seller's instructions.

The Sellers shall conduct such proceedings in good faith (*nach Treu und Glauben*) with reasonable regard to the concerns of the Purchasers and the Group Companies.

- 12.4.4 In no event shall the respective Purchaser acknowledge or settle, or permit any Group Company to acknowledge or settle, the Third Party Claim without the respective Seller's prior written consent. The respective Purchaser and the Group Companies shall, at Sellers' expense, fully cooperate with the Seller in the defense of any Third Party Claim, provide the Sellers and their representatives (including their advisors) access to all relevant business records and documents, and permit the Sellers and their representatives to consult with the directors, officers, employees and representatives of the respective Purchaser or any of the Group Companies.
- 12.4.5 For the avoidance of doubt, this clause 12.4 shall not apply to any claims which are governed by clause 13.

## 12.5 **Liability Cap**

- 12.5.1 With the exception of any liability of the Sellers pursuant to clauses 10.2 (Status and Authority of the Sellers), 10.3 (Due Incorporation and Status of the Group Companies) and 10.4 (Ownership of Shares) ("**Material Liability**"), the Sellers' aggregate liability for all claims with respect to a Guarantee Claim shall be limited to an aggregate amount of EUR 1.00 (one euro).
- 12.5.2 The Sellers' entire aggregate liability under and in connection with this Agreement shall in any case be limited to the Consideration Cap with the exception of the Material Liability for which Sellers' entire aggregate liability shall be limited to the Consideration.

## 12.6 **Warranty & Indemnity Insurance**

- 12.6.1 The Purchasers confirm that they will on or about the Signing Date enter into an insurance policy ("**Insurance Policy**") as protection for potential claims with respect to a Breach of a Seller's Guarantee under this Agreement. The cover under the Insurance Policy includes potential claims of the Purchasers against the Sellers pertaining to Breaches of Seller Guarantees ("**Insured Claims**"). The Purchasers will directly and exclusively settle all Insured Claims with the insurer. Purchasers will pay and undertake to pay all premiums, Taxes and other costs in connection with the Insurance Policy.

12.6.2 The Purchasers herewith confirm that the terms of the Insurance Policy do not provide for any subrogation and/or recourse against the Sellers or any of their Affiliates for claims made by the Purchasers under the Insurance Policy except in the case of fraud or wilful misconduct.

12.6.3 For the avoidance of doubt, the limitation of Seller's liability according to clause 12.5.1 shall apply even if (i) the Purchasers fail to (validly) conclude the Insurance Policy, (ii) the Insurance Policy is terminated or (iii) a specific Insured Claim is not (fully) covered by the Insurance Policy.

#### 12.7 **Time Limitations, Suspension**

12.7.1 All claims for any Breach of Guarantee pursuant to clause 10 above shall become time-barred (*verjähren*) twenty-four (24) months after the Closing Date, except for claims based on a breach of the Sellers' Guarantees given under clauses 10.2 (Status and Authority of the Sellers), 10.3 (Due Incorporation and Status of the Group Companies) and 10.4 (Ownership of Shares) which shall become time-barred five (5) years after the Closing Date ("**Time Limitation**").

12.7.2 Any claim by a Purchaser hereunder must be notified to the respective Seller prior to the expiration of the applicable Time Limitation. Such notification suspends (*hemmt*) within the meaning of sec. 209 BGB such Time Limitation with respect to the specific claim so notified, provided that the respective Purchaser commences arbitration proceedings within six months after the expiry of the relevant Time Limitation. Sec. 203 BGB shall not apply unless the Sellers and the respective Purchaser agree in writing that the Time Limitation is suspended on the basis of pending settlement negotiations.

#### 12.8 **Tax Claims**

In respect of any Guarantee Claims brought by the respective Purchaser due to a breach of a Sellers' Guarantee pursuant to clause 10.18 (Taxes), clause 12.7.1 shall not apply and any such claims shall become time-barred upon expiration of the earlier of (i) six (6) months after the final and binding assessment of the relevant Taxes or (ii) the statutory limitation period for the relevant Tax.

#### 12.9 **Treatment of Payments by the Sellers**

Any payments made by (i) the Sellers pursuant to clauses 12 and 13 shall be considered a reduction, or (ii) the Purchasers pursuant to clauses 12 and 14 shall be considered an increase of the Consideration agreed between the respective Seller and the respective Purchaser, unless otherwise provided for by mandatory law.

#### 12.10 **Fraud or Wilful Misconduct**

None of the limitations of liability contained in this Agreement, including the Time Limitation, shall apply in case of a wilful act (*Vorsatz*) or deceit (*arglistige Täuschung*) by (i) the Sellers, provided that the burden of proof for such events shall be completely with the Purchasers, or (ii) the Purchasers, provided that the burden of proof for such events shall be completely with the Seller.

## 12.11 Exclusion of Further Remedies

To the extent permitted by law and unless expressly provided otherwise in this Agreement (and in particular in clause 10, which shall remain unaffected), any further claims and remedies are hereby expressly waived, including, without limitation, claims for breach of a pre-contractual duty (sec. 311 para 2 and 3, 241 para. 2 BGB), claims based on a breach of duty arising from an obligation (*Verletzung einer Pflicht aus dem Schuldverhältnis*) other than under this Agreement, claims based on statutory warranty provisions (*gesetzliche Gewährleistungsbestimmungen*) and liability in tort (*unerlaubte Handlung*) as well as any other claims which could, due to a revocation (*Rücktritt*), action for avoidance (*Anfechtung*), reduction of the Consideration (*Minderung*) or other reasons, result in the termination (*Beendigung*), ineffectiveness (*Unwirksamkeit*) or a reversal (*Rückabwicklung*) of this Agreement, in an amendment of its content or in a refund or reduction of the Consideration, except if and to the extent that any such claim is based on a wilful act (*vorsätzliche Handlung*) or on deceit (*arglistige Täuschung*) by the Seller.

12.12 The provisions of this clause 12 shall apply accordingly to the Asset Sellers' Guarantees.

## 13. Taxes

### 13.1 Tax Indemnity

13.1.1 Cohu Semi agrees to indemnify Purchaser 1 from and against any Taxes imposed on ATG and ATG Taiwan relating to Tax assessment periods ending on or before the Closing Date (the "**Pre-Closing Date Period**" and the "**Indemnifiable Taxes**") but in any case only if and to the extent that the Indemnifiable Taxes and with respect to Taxes imposed on ATG Taiwan any Taxes imposed on it with respect to the pre Closing Date portion of the Straddle Period . "**Straddle Period**" means any Tax period beginning on or before the Closing Date and ending after the Closing Date. In the case of Taxes that are payable with respect to any Straddle Period, the portion of any such Taxes that is attributable to the portion of the period ending on the Closing Date shall be:

- a) in the case of Taxes that are either (i) based upon or related to income or receipts or (ii) imposed in connection with any sale or other transfer or assignment of property (real or personal, tangible or intangible), deemed equal to the amount that would be payable if the Tax period of ATG Taiwan ended with (and included) the Closing Date; provided, that exemptions, allowances or deductions that are calculated on an annual basis (including depreciation and amortization deductions) shall be allocated between the period ending on and including the Closing Date and the period beginning after the Closing Date in proportion to the number of days in each period; and
- b) in the case of Taxes that are imposed on a periodic basis with respect to the assets or capital of the Company, deemed to be the amount of such Taxes for the entire Straddle Period (or, in the case of such Taxes determined on an arrears basis, the amount of such Taxes for the immediately preceding period), multiplied by a fraction the numerator of which is the number of calendar days in the portion of the period ending on and including the Closing Date and the denominator of which is the number of calendar days in the entire period.

- 13.1.2 The indemnity pursuant to 13.1. shall in any case only apply if and to the extent that the Indemnifiable Taxes
- 13.1.2.1 have not been paid at the Closing Date; and
  - 13.1.2.2 exceed the amount of all Tax accruals (*Steuerrückstellungen*) or Tax liabilities (*Steuerverbindlichkeiten*) included in the Closing Date Financial Statement irrespective of whether such accruals or liabilities relate to the specific Tax giving rise to such claim; and
  - 13.1.2.3 are neither recovered nor recoverable by the Purchaser Group from a third party (it being understood that, if a final and binding claim exists, but has not been realized by Purchaser Group, the respective Seller shall only be obligated to indemnify the respective Purchaser in exchange for an assignment of the respective claim against these third parties by Purchaser Group to such Seller); and
  - 13.1.2.4 are not directly or indirectly caused or triggered by (i) any change in the accounting and taxation principles or practices of the Group Companies after the Closing; or (ii) any transaction, action, omission, declaration or other measure initiated or executed by a Purchaser, any person affiliated with a Purchaser, or – after the Closing – by one of the Group Companies or any future direct or indirect shareholder or partner of any Group Company (including, but not limited to, the change in the exercise of any Tax election right, the change in transfer pricing, the amendment of any Tax Return, the termination of any profit and loss absorption agreement or Tax consolidation scheme (other than between any of the Sellers on the one side and the Group Companies on the other side), the approval or implementation of any reorganizational measure or the sale of any asset), in each case unless required under mandatory law (including, for the avoidance of doubt, applicable generally accepted accounting principles); and
  - 13.1.2.5 do not correspond to or cannot be offset against Tax reductions (*Steuerminderung*) or Tax refunds, in each case arising out of or relating to circumstances triggering the Tax indemnification claim pursuant to this clause 13.1.1, including but not limited to reciprocal effects (*Wechselwirkung*) resulting e.g. from the lengthening of depreciation periods or higher depreciation allowances (*Phasen-verschiebung*) or from a transfer of items relevant for Taxes (e.g. turn-over, income, expenses, VAT payable corresponding to an input VAT refunded etc.) into another Tax assessment period or a transfer of Tax items from one entity to another entity, and occurring on or after the Closing Date at the tier of the Group Companies, a Purchaser, or an entity affiliated with a Purchaser (altogether “**Tax Benefit**”). Thereby it is understood that such Tax Benefit shall be equal to the following amount: (i) face-value of the actually realized Tax Benefit if and to the extent the Tax Benefit relates to Taxes other than income taxes (such as corporate income tax and trade tax), or (ii) the net present value of the Tax Benefit if and to the extent the Tax Benefit relates to income taxes whereby the net present value shall be determined on the basis of the statutory Tax rate applicable in the respective jurisdiction at the Closing Date and a discount factor of 2.5%; and

13.1.2.6 do not result from the signing of the Agreement or the consummation of the transactions contemplated in the Agreement (other than the change of ATG's fiscal year and the termination of the PLTA).

13.1.3 Credence will indemnify Purchaser 2 from and against any unpaid Taxes of TSL attributable to a Tax period ending on or prior to the Closing Date or the pre Closing Date portion of the Straddle Period. Clause 13.1.1 applies *mutatis mutandis*.

13.1.4 Any indemnification payment to be made by a Seller pursuant to this clause 13.1 is due forty-five (45) Business Days after the respective Seller has been notified in writing by the respective Purchaser about the payment obligation and the corresponding payment date and has received a copy of the underlying Tax assessment or payment order of the competent Taxing Authorities, but (i) in no case earlier than the date at which the Tax to be indemnified is due and payable to the Taxing Authority, if payment is made directly to the Taxing Authority in accordance with the following sentence, or (ii) not later than two (2) Business Days prior to the date at which the Tax to be indemnified is due and payable to the Taxing Authority, if payment is made to the respective Purchaser or the respective Group Company. The Sellers are entitled to make the indemnification payment directly to the bank account of the Taxing Authorities. On request of the Sellers, the respective Purchaser shall at Sellers' cost procure that the respective Group Company undertakes best efforts to defend the tax position advocated by Sellers, to the extent reasonable under applicable laws, or to achieve a deferred payment date, in particular but not limited to the application for a suspension of enforcement of tax payment obligation (*Aussetzung der Vollziehung*) or equivalent application in foreign jurisdiction; clause 13.5 shall apply. The respective Purchaser shall not be obliged to grant any security to the Tax Authorities in order to receive a suspension of execution; if required by the Tax Authority for the granting of a suspension of execution, however, the respective Seller shall be entitled at its discretion to provide at its own cost and expense such security to the respective Tax Authority. If the Tax for which an indemnification payment has been made is subsequently reduced, the difference between the higher indemnification payment and the lower Tax amount shall be reimbursed by the respective Purchaser to the Sellers, including all interests paid thereon by the respective Taxing Authority. Clause 13.2.2 and clause 13.2.3 shall apply *mutatis mutandis* to the existence of over-indemnification and the reimbursement obligation of the respective Purchaser.

## 13.2 Tax Refund; Overstated Tax Provisions; Tax Assets

13.2.1 The respective Purchaser shall pay to the respective Seller

13.2.1.1 any Tax refund for the benefit of a Group Company relating to a Pre-Closing Date Period received by the respective Purchaser or one of the Group Companies on or after the Closing Date (by receipt of cash payments, set-off, deduction or otherwise and net of any corresponding future Tax burden of the Group Companies; in calculating such future Tax burden clause 13.1.2.5, sentence 2 shall apply *mutatis mutandis*), if and to the extent such Tax refund exceeds the aggregate amount of all Tax refunds shown in the Closing Date Financial Statement (the "**Tax Refund**"); and

- 13.2.1.2 the total amount equal to any Tax accrual or Tax liability included in the Closing Date Financial Statement to the extent that they exceed the sum of actual Tax charges and therefore are or have to be dissolved in the relevant commercial balance sheet of the respective Group Company, and
- 13.2.1.3 the amount of any Tax Refund, Tax credit, any Tax item (including interest) that can be carried forward or backward as a Tax loss to reduce any Tax (in respect of a Tax item, however, only up to the amount of any reduced Tax) (altogether the “**Tax Asset**”) caused by reciprocal effects (*Wechselwirkungen*) resulting e.g. from the lengthening of depreciation periods or higher depreciation allowances (*Phasenverschiebung*) or the transfer of items relevant for Taxes (e.g. turnover, income, expenses, VAT payable corresponding with a VAT refund etc.) into another calendar year or the transfer of Tax items from one entity to another entity, (i) occurring after the Closing Date at the tier of ATG, any Group Company or any future direct or indirect shareholder or partner of any Group Company and (ii) corresponding to an increased Tax which due to the existence of a tax group between a Seller and any of the Group Companies is incurred at the tier of a Seller or any Sellers’ Group Company; as to the calculation of such Tax Asset, clause 13.1.2.5 sentence 2 shall apply *mutatis mutandis*.

13.2.2 The respective Purchaser shall notify the respective Seller without undue delay in writing of the receipt of any Tax Refund and the existence of a Tax accrual or Tax liability dissolved or to be dissolved within the meaning of clause 13.2.1.2 above.

13.2.3 Any amount payable to the Sellers pursuant to this clause 13.2 shall be due and payable after (i) the Tax Refund has been refunded (by receipt of cash payments, set-off or deduction) to the Group Companies (with regard to clause 13.2.1.1 above), (ii) the respective Tax liability or accrual has been or should have been dissolved in accordance with applicable GAAP (with regard to clause 13.2.1.2 above) and (iii) upon receipt of the Sellers’ notification of the assessment of any Tax giving rise to a payment obligation and a calculation of the Tax Asset, which a Seller claims to be payable under clause 13.2.1.2 (with regard to clause 13.2.1.2 above), but (where applicable) not earlier than two (2) Business Days before the assessed Taxes become due and payable.

### 13.3 **Reverse Indemnity; VAT-matters**

13.3.1 The respective Purchaser shall indemnify the Sellers and all Sellers’ Group Companies for all Taxes, losses or reductions of a Tax Asset relating to a Pre-Closing Date Period, if and to the extent these Taxes, losses or reductions of the Tax Asset are directly or indirectly caused by or result from

13.3.1.1 the breach of a covenant, obligation or other kind of commitment pursuant to this Agreement by a Purchaser or, after the Closing Date, also by the Group Companies; or

13.3.1.2 (i) any change in commercial or tax accounting methods of the Group Companies after the Closing Date; or (ii) any transaction, action, omission, declaration or other measure initiated or executed by a Purchaser, any company affiliated with a Purchaser, or – after the Closing Date – by one of the Group Companies or any future direct or indirect shareholder or partner of any Group Company (including, but not limited to, the change in the exercise of any Tax election right, the amendment of any Tax Return, the termination of any profit and loss absorption agreement or Tax consolidation scheme (other than between any of the Sellers on the one side and the Group Companies on the other side), the approval or implementation of any reorganizational measure or the sale of any asset), in each case to the extent such measures pertain to Pre-Closing Date Periods or have retroactive effect pursuant to statutory provisions (e.g. as a consequence of a retroactive transformation pursuant to the German Transformation Tax Act) and unless required under mandatory law.

Any such claim of the Sellers and the Sellers' Group Companies shall be reduced by a corresponding Tax Asset for the benefit of the respective Seller or Sellers' Group Company resulting from an event pursuant to clause 13.3.1.1 and 13.3.1.2 of this clause 13.3.1; clause 13.1.2.5, sentence 2 shall apply *mutatis mutandis*.

- 13.3.2 If and to the extent that Sellers' or a Sellers' Group Company's Tax items that could be deducted, carried forward or backward as losses (including interest) are lost or reduced, the respective Purchaser will indemnify Sellers or Sellers' Group Companies only if and to the extent such Tax items could have been utilized by the Sellers or the Sellers' Group Companies. To substantiate that such utilization by the Sellers or the Sellers' Group Companies would have been possible, it is sufficient (but also required) that the respective Seller or the respective Sellers' Group Company earns a taxable profit (before set off with existing losses or interest carried forward which were incurred after the Closing Date) and evidences such taxable profit to the respective Purchaser (e.g. through the submission of corresponding Tax Returns or Tax assessment notices; provided, however, in no event will Tax Returns for Credence be required to be submitted to the respective Purchaser). For the avoidance of doubt, it is in that respect irrelevant if the taxable profit leads to an effective tax payment at the level of the Sellers or the Sellers' Group Companies if such taxable profit is (or could be) set off against post Locked Box Date losses. The respective Purchaser will, already upon the loss or reduction of Tax items which could be deducted, carried forward or backward as losses (including interest) pursuant to clause 13.3.1, sentence 1, certify to the respective Seller or Sellers' Group Company in writing that the indemnification will be satisfied provided that the conditions under clause 13.3.1, sentence 3 are met and evidenced in accordance with clause 13.3.1, sentence 4.
- 13.3.3 The indemnification or payment under clause 13.3.1 or clause 13.3.2 becomes due and payable forty-five (45) Business Days after the respective Purchaser has been notified in writing by one of the Sellers about the indemnification or payment obligation. To the extent Sellers or the Sellers' Group Companies may claim an indemnification for Taxes, however, such indemnification does not become due and payable prior to the due date for such indemnified Taxes.
- 13.3.4 The Sellers are not liable for any Tax imposed on any Group Company in connection with the signing of the Agreement and the consummation of the transactions contemplated in the Agreement, a change of control or cancellation of fiscal unity that occurred in connection with the transactions contemplated in the Agreement (other than between any of the Sellers on the one side and the Group Companies on the other side) that occurred in connection with the transactions contemplated in the Agreement. The Purchasers shall not, and shall procure that none of the affiliates of the Purchasers (including none of the Group Companies) will, raise any claim against the Sellers or Sellers' Group Companies in respect of Taxes resulting from the signing of the Agreement and the consummation of the transactions contemplated in the Agreement or such change of control or cancellation of fiscal unity. The Purchasers shall indemnify and hold harmless the Sellers and the Sellers' Group Companies from all claims raised by any affiliates of a Purchaser (including any Group Company) with respect to the signing of the Agreement and the consummation of the transactions contemplated in the Agreement, a change of control or cancellation of fiscal unity between Cohu Semi and ATG.

#### 13.4 Tax Returns; Tax Assessments

- 13.4.1 Cohu Semi only in relation to ATG and ATG Taiwan shall be fully responsible for the filing of all Tax Returns which (i) are income Tax Returns wholly related to a Pre-Closing Date Period, (ii) are Tax Returns on or before the Closing Date. Credence only in relation to TSL shall be fully responsible for the filing of all Tax Returns which (i) are income Tax Returns wholly related to a Pre-Closing Date Period, (ii) are Tax Returns due to be filed on or before the Closing Date.
- 13.4.2 The Purchasers shall be fully responsible for the Group Companies to timely file all Tax Returns other than those referred to in clause 10.18.2 and clause 13.4.1. The Tax Returns shall be consistent with the policies, procedures, practices and election rights adopted in the financial statements of the relevant Tax period as well as the Tax Returns for previous Tax periods of the Group Companies submitting such Tax Return, but only to the extent that the adopted policies, procedures, practices and election rights are in compliance with applicable laws. Any such Tax Return within the meaning of this clause 13.4.2 relating to a period beginning before the Closing Date shall be subject to the review and prior written consent of the Sellers. The Purchasers shall provide copies of any such Tax Return to the Sellers no later than sixty (60) days prior to the relevant due date of such Tax Return. The Sellers shall return their comments to the Purchasers or the respective Group Companies within thirty (30) days at the latest. If the Sellers and the Purchasers fail to reach an agreement on the contents of the Tax Returns, the Tax Returns shall be filed according to the instructions of the Sellers taking into account the legitimate interests of Purchasers (which, for the avoidance of doubt, can in no event prevail the legitimate interests of Sellers), except if and to the extent that these instructions do not comply with mandatory law (including, for the avoidance of doubt, applicable generally accepted accounting principles).
- 13.4.3 Tax Returns prepared and filed by one of the Sellers in accordance with clause 13.4.1, Tax Returns prepared and filed by the Purchasers and relating to a period beginning before the Closing Date in accordance with clause 13.4.2 as well as any other Tax Returns of one of the Group Companies relating to a Pre-Closing Date Period, shall not be amended or changed by the Purchasers or one of the Group Companies without the prior written consent of the respective Seller, except if the amendment or change is required by mandatory law.
- 13.4.4 The Purchasers shall provide complete copies of any Tax assessments (*Steuerbescheide*) relating to time periods beginning before the Closing Date to the Sellers without undue delay.

## 13.5 Tax Proceedings

- 13.5.1 Following the Closing Date, the Purchasers shall without undue delay notify the respective Sellers of any announcement or commencement of any Tax audit or administrative or judicial proceeding that is announced or commenced and that relates to a Pre-Closing Date Period (the “**Tax Proceedings**”) or to Indemnifiable Taxes. Such notice shall be in writing and shall contain factual information sufficiently describing the object of the Tax Proceeding or the asserted Tax liability in reasonable detail and shall include copies of any notice or other document received from any Taxing Authority in respect of any such Tax Proceeding or asserted Tax liability.
- 13.5.2 Sellers may control all Tax Proceedings at their option. . Other than as set forth in the preceding sentence, the Purchasers shall, and shall be fully responsible that the respective Group Company does, (i) give the respective Seller the opportunity to fully participate from the beginning on at the respective Seller’s own cost in all Tax Proceedings, (ii) upon the respective Seller’s request and at the respective Seller’s cost, challenge and litigate any Tax assessment or other decision of any Taxing Authority or Tax court if and to the extent it is related to a Pre-Closing Date Period or Indemnifiable Taxes and (iii) comply with any instructions given by the respective Seller in relation to the conduct of the Tax Proceedings referred in (i) and (ii) above taking into account legitimate interests of the respective Purchaser (which, for the avoidance of doubt, can in no event prevail the legitimate interests of Sellers). If the Sellers elect by a written request to lead Tax Proceedings (including but not limited to the objection of Tax assessment and appeals against court decisions) on their own or through counsel of their choice and at their expense, then the Purchasers shall promptly authorize, and shall cause the respective Group Companies to authorize, (by power-of-attorney and such other documentation as may be necessary or appropriate) the designated representative of the Sellers to represent the Purchasers and the respective Group Companies in the Tax Proceedings. In any case the Purchasers shall be fully responsible that after the Closing Date (i) no document or information related to the Pre-Closing Date Period or to Tax Proceedings is submitted to any Taxing Authority without the prior written consent of the Sellers, which shall not be unreasonably withheld and deemed to be given at least two (2) Business Days prior to the due date of such submission if the submission of a specific document or information is required by mandatory law and the respective Seller has been notified in writing by a Purchaser or the respective Group Company about this submission requirement ten (10) days prior to the submission date, unless an immediate submission is required by law. The Purchasers shall be responsible that after the Closing Date no Tax Proceeding is settled without the prior written consent of the Sellers, such consent not to be unreasonably withheld.
- 13.5.3 The Purchasers shall fully cooperate, and shall cause the respective Group Company and their representatives to fully cooperate, at Seller's expense, with the Sellers with respect to all Tax Proceedings. The Purchasers shall in particular be fully responsible that the Sellers obtain any documents or information relating to a Pre-Closing Date Period which is or could be necessary for the Sellers to avoid or mitigate any liability under this clause 13, protect a legal position under this clause 13 or to protect a Tax Refund under clause 13.2 above. Sellers shall bear the cost and fees of their own advisors. The Purchasers shall be liable that upon written request and reasonable advance notice, the respective Seller shall also be granted the possibility to examine such documentation at the business premises of the relevant Group Company, to question employees and permit to copy and photograph such documents and records, in each case to be coordinated through the respective Group Company’s management. The Purchasers shall, and shall be fully responsible that the relevant Group Companies shall, store all records, documents and information relating to Tax Proceedings until the expiration of any applicable statute of limitations. Necessary outside counsel costs incurred by the Purchasers shall be borne by Sellers, if and to the extent such outside counsel has been involved on a Seller’s request.

13.5.4 The Purchasers shall fully cooperate and take any action or measure to preserve, and shall cause the respective Group Company and their representatives to fully cooperate and to take any action or measure to preserve, and refrain from any actions or measures which may jeopardize, the recognition of the tax group created by virtue of the PLTA for the period beginning on 1 January 2015 and ending in accordance with this Agreement.

### 13.6 Limitations; Miscellaneous

13.6.1 Any claims of a Purchaser, the Sellers and the Sellers' Group Companies under this clause 13 shall become time-barred upon the expiration of a period of three months after the final and binding (*formell und materiell bestandskräftige*) assessment of the respective Tax. The Sellers' or Sellers' Group Companies' respective rights under clause 13.2 and clause 13.3 shall, however, not become time-barred before the lapse of three months after the respective due date pursuant to clause 13.2.3 or clause 13.3.3 has occurred. Any claim by the Sellers or Sellers' Group Companies hereunder must be notified to the respective Purchaser prior to the expiration of the applicable time limitation. Such notification suspends (*hemmt*) within the meaning of sec. 209 BGB such time limitation with respect to the specific claim so notified, provided that the respective Purchaser commences arbitration proceedings within six months after the expiry of the relevant time limitation. Sec. 203 BGB shall not apply, unless the Sellers and the Purchasers agree in writing that the time limitation is suspended on the basis of pending settlement negotiations.

13.6.2 If a Purchaser breaches its covenants, obligations or commitments pursuant to clause 13.4.2, sentence 4 to 9 or clause 13.5 and the Sellers are materially prejudiced by such breach, Sellers shall not be obliged to indemnify such Purchaser anymore from Taxes (or parts thereof) which are affected by such breach, unless such Purchaser can evidence that the respective Taxes (or parts thereof) would also have been incurred had such Purchaser satisfied the relevant covenant, obligation or commitment. If a Purchaser breaches its covenants or obligations under clause 13.4.2, sentences 1 to 3, or if a breach pursuant to sentence 1 does not materially prejudice the Sellers, Sellers shall not be obliged to indemnify from Taxes (or parts thereof) if and to the extent the Sellers can evidence that the corresponding tax liability would not have been incurred had such Purchaser properly complied with its covenant, obligations or commitment.

13.6.3 As it relates to the Sellers' Group Companies, clause 13.3 constitutes a contract for the benefit of a third party within the meaning of Section 328 para. 1 BGB (*Vertrag zugunsten Dritter*) respectively.

13.6.4 Within the meaning of this clause 13, the terms Sellers, Cohu Semi, Credence, Sellers' Group Companies, Purchasers, Purchaser Group, Group Companies, ATG, ATG Subsidiaries, TSL and direct or indirect shareholders, members or partners shall also embrace any of their legal successors.

13.6.5 This clause 13 shall provide the sole remedy for any Tax related remedies except for Taxes which shall be (i) borne by the Sellers pursuant to clause 12 or (ii) borne by the Purchasers pursuant to clause 3.4 or clause 22.2, which clauses (referenced under (i) and (ii)) shall prevail respectively. For the avoidance of doubt, the Purchasers shall recover with respect to a particular claim only once and without duplication.

## 14. PURCHASER GUARANTEES

### 14.1 Purchaser Guarantees

The Purchasers hereby guarantee to the Sellers – to the extent legally possible – regardless of fault (*verschuldensunabhängig*), subject to the requirements and limitations provided in clause 14.2, by way of an independent promise of guarantee (*selbstständiges Garantieverprechen*) within the meaning of sec. 311 para. 1 BGB, that the following statements (the “**Purchaser Guarantees**”) are correct, complete, and not misleading as of the Signing Date and as of the Closing Date or as of such other date expressly stated in the respective Purchaser Guarantee. The Purchaser Guarantees are given by each of Purchaser 1 and 3 as an individual debtor (*als Einzelschuldner*) and only in relation to itself and, thus, each of Purchaser 1 and 3 shall only be liable to the respective Seller as an individual debtor (*als Einzelschuldner*) for its own due capacity.

14.1.1 Purchaser 1 is duly incorporated and validly existing under the laws of Germany, Purchaser 2 is duly incorporated and validly existing under the laws of Sweden and Purchaser 3 is duly incorporated and validly existing under the laws of The Commonwealth of Massachusetts, USA. The Purchasers have all requisite corporate power and authority to own their assets and to carry out their business.

14.1.2 The Purchasers have all requisite corporate power and authority and have been duly authorized by all necessary corporate actions to enter into and perform this Agreement and the legal transactions (*Rechtsgeschäfte*) contemplated herein.

14.1.3 The execution and performance by the Purchasers of this Agreement and the consummation of the legal transactions contemplated herein do not violate the Purchasers’ respective articles of association (*Gesellschaftsvertrag*) or internal rules of management and do not violate any applicable statutory provision, judgment, injunction or other rule binding upon the Purchasers and there are, to the Purchasers’ Knowledge, no legal, investigatory or other proceedings pending or threatened against the Purchasers before any court, arbitration tribunal or governmental authority which in any manner challenges the Transaction or may result in its being prevented, altered or delayed.

14.1.4 The Purchasers have available cash which will at Closing provide in immediately available funds the necessary cash resources to pay the Consideration and to make all other payments required to be made under or in connection with this Agreement.

### 14.2 Remedies and Limitations

Clauses 12.1, 12.5, 12.10 and 12.11 relating to remedies of the Purchasers for Breaches of Guarantee shall apply *mutatis mutandis* to breaches by the Purchasers of Purchaser Guarantees, provided that all claims of the Sellers under this clause 14 shall become time-barred five (5) years after Closing.

## 15. POST-CLOSING UNDERTAKINGS

### 15.1 Non-Compete Undertaking

For a period of twenty-four (24) months after Closing, neither Seller shall, and Sellers shall procure that none of the Sellers' Group Companies do, directly or indirectly, engage in any activity that would compete with the Business as presently conducted (the "**Restricted Activity**") within the territory in which the Group Companies are conducting the Business on the Closing Date, including, for the avoidance of doubt, holding, directly or indirectly, any shares, partnership interests or other equity interests or voting rights in any legal entity or partnership engaging, directly or indirectly, in any Restricted Activity (with the exception of mere financial investments, i.e. holding not more than 5% of the shares or voting rights in another legal entity).

### 15.2 Non-Solicitation

For a period of twenty-four (24) months after Closing, neither Seller shall, and Sellers shall procure that none of the Sellers' Group Companies do, directly or indirectly, solicit or entice away from the Group Companies any employee of the Group Companies with the exception of persons who have been given notice of termination (*Kündigung*) by the respective Group Company or whose employment was terminated by mutual consent or who actively apply for vacant positions within the Sellers' Group due to a general employment advertisement addressed to the public.

### 15.3 Breach

In the event of a breach of the covenants set forth in clause 15.1 or 15.2, the respective Purchaser may request the respective Seller (i) to immediately cease, or procure that the Sellers' Group Company immediately ceases, the activities constituting such breach and (ii) to compensate the respective Purchaser (or, in such Purchaser's discretion, the respective Group Company) for any damages suffered from or in connection with such breach.

### 15.4 Transfer of Certain Employees to Purchasers

15.4.1 The Parties acknowledge that the employees set out in **Schedule 15.4.1** are currently employed with Cohu Interface Solutions LLC or Xcerra (Thailand) Company Limited, respectively, and exclusively work for the Business (each such employee a "**Business Employee**"). It is the mutual intention of the Parties to transfer, after Closing, all Business Employees to an entity designated by Purchaser 2 reasonably prior to Closing. Therefore, Purchaser 2 shall, or shall cause an Affiliate of the Purchasers to, no later than five days prior to the Closing Date, offer employment effective on the day following the Closing Date, to all Business Employees, including Business Employees who are absent due to vacation, family leave, short-term disability or other approved leave of absence (the Business Employees who accept such employment and commence employment on the day following the Closing Date, the "**Transferred Employees**"). The Purchasers shall use all commercially reasonable efforts to ensure that the process for making such offers of employment and the terms and conditions of such offers of employment (i) are designed to encourage all Business Employees to become Transferred Employees and (ii) comply with any requirements for transferring employment under Applicable Law. Sellers shall cooperate with Purchasers in making the offers described in this Section 15.4.1, and shall (A) actively encourage each Business Employee to accept an offer from a Purchaser or an Affiliate of a Purchaser and (B) not take any action or make any statement intended to retain any Business Employee.

15.4.2 During the period commencing on the Closing Date and ending on the date which is twelve (12) months from the Closing Date, Purchasers shall, or shall cause an Affiliate of Purchasers or its designated third party to, provide each Transferred Employee with compensation and benefits and terms and conditions of employment in line with Purchaser 2's group policy for benefits and terms and conditions. Once the Transferred Employee is hired by the applicable Purchaser or its designated third party, such Transferred Employee shall be deemed to be a continuing employee of Purchaser or its designated third party and entitled to receive service credit for all benefit and other matters for time served with the applicable Seller prior to the Closing. Regardless of whether the applicable Purchaser successfully hires the Transferred Employee, Purchaser shall be responsible for any and all severance and other separation costs associated with the Transferred Employee, and shall indemnify all Sellers against same. Purchasers or their Affiliates shall, in particular, be responsible for any and all severance and other separation costs associated with any Business Employee who elects not to become a Transferred Employee, and shall indemnify all Sellers against same.

15.4.3 This clause 15.4 shall be binding upon and inure solely to the benefit of each of the Parties to this Agreement, and nothing in this clause 15.4, express or implied, shall confer upon any other person any rights or remedies of any nature whatsoever under or by reason of this clause 15.4. Nothing contained herein, express or implied, shall be construed to establish, amend or modify any benefit plan, program, agreement or arrangement. The Parties acknowledge and agree that the terms set forth in this clause 15.4 shall not create any right in any Transferred Employee or any other person to any continued employment with the Seller, any Purchaser or any of their respective Affiliates or compensation or benefits of any nature or kind whatsoever except as may be expressly set forth herein. The Parties shall discuss the transfer of working equipment of any Business Employees reasonably prior to Closing.

## 15.5 **Insurance**

15.5.1 In respect of claims against any of the Group Companies arising from events prior to the Closing Date, Sellers shall procure that the Group Companies have access to all insurance policies that have been in effect to the benefit of the Group Companies prior to Closing.

15.5.2 In relation to any claims against any of the Group Companies made pursuant to policies and liability coverage for directors and officers of the Business, the Sellers will procure that "extended discovery period," "run-off" or similar cover is in place to ensure ongoing coverage for pre-Closing Date loss events for a period of six (6) years following the Closing Date (in line with the same limits and deductibles in place prior to Closing). If and to the extent such "extended discovery period", "run-off" or similar cover results in extra premium such premium shall be at Purchaser 2's expense unless Purchaser 2 – upon notification of such additional premium – elects against such extension.

## 15.6 **Use of Sellers' Brands etc.**

15.6.1 The Parties agree that Purchasers have the royalty-free right to use Sellers Group's brands, trademarks, business names, logos and slogans for the Group Companies to a reasonable extent but only insofar as the Group Companies have used such brands, trademarks, business names, logos and slogans in the twelve months prior to Closing within a transition period of four and a half months after Closing.

15.6.2 Purchasers shall indemnify and hold harmless the Sellers from any Losses, costs, damages or similar that result from the use of such brands, trademarks, business names, logos and slogans post Closing

## 16. GUARANTEE AND INDEMNITY

- 16.1 In consideration of the Sellers entering into this Agreement, Purchaser 2 unconditionally and irrevocably guarantees to the Sellers the due and timely performance and observance by Purchasers 1 and 3 of all their obligations, commitments, undertakings, warranties, indemnities, covenants and liabilities under or pursuant to this Agreement (“**Guaranteed Purchaser Obligations**”) and agrees to indemnify the Sellers against all losses, damages, costs and expenses (including legal costs and expenses) which the Sellers may suffer or incur through or arising in connection with any breach by another Purchaser of any Guaranteed Purchaser Obligations. The liability of Purchaser 2 under this clause 16.1 shall not be released or diminished by any rearrangement or alteration of terms (whether of this Agreement or otherwise) or any forbearance, neglect or delay in seeking performance of the Guaranteed Purchaser Obligations or any granting of time for such performance.
- 16.2 If and whenever another Purchaser defaults for any reason whatsoever in the performance of any Guaranteed Purchaser Obligation, Purchaser 2 shall forthwith upon demand unconditionally perform (or procure performance of) and satisfy (or procure the satisfaction of) the obligation or liability in regard to which such default has been made in the manner prescribed by this Agreement and so that the same benefits shall be conferred on the Sellers as they would have received if such Guaranteed Purchaser Obligation had been duly performed and satisfied by the respective other Purchaser. Purchaser 2 waives any rights which it may have to require the Sellers to proceed first against or claim payment from the respective Purchaser to the intent that as between the Sellers and Purchaser 2 the latter shall be liable as principal debtor as if it has entered all the Guaranteed Purchaser Obligations jointly and severally with the other Purchasers.
- 16.3 This guarantee and indemnity is to be a continuing security to the Sellers for all the Guaranteed Purchaser Obligations and shall not be satisfied, discharged or affected by an intermediate payment or settlement of account by, or change in the constitution or control of, or the insolvency of or winding-up or analogous proceeding relating to, the other Purchasers or by any other matter or thing whatsoever.
- 16.4 This guarantee and indemnity is in addition to and without prejudice to and not in substitution for any rights or security which the Sellers may have or hold now or in the future for the performance and observance of the Guaranteed Purchaser Obligations.
- 16.5 As a separate and independent stipulation, Purchaser 2 agrees that any obligation expressed to be undertaken by another Purchaser under this Agreement (including, without limitation, any monies expressed to be payable under this agreement) which may not be enforceable against or recoverable from such Purchaser by reason of any legal limitation, disability or incapacity or any other fact or circumstance shall nevertheless be enforceable against or recoverable from the Purchaser 2 as though the same has been incurred by Purchaser 2 and Purchaser 2 were the sole or principal obligor in respect thereof and shall be performed or paid by Purchaser 2 on demand.

## 17. GUARANTEE AND INDEMNITY OF SELLERS’&NBSP;GUARANTOR

- 17.1 In consideration of the Purchasers entering into this Agreement, the Sellers’ Guarantor unconditionally and irrevocably guarantees to the Purchasers the due and timely performance and observance by the Sellers and Asset Sellers of all their obligations, commitments, undertakings, warranties, indemnities, covenants and liabilities under or pursuant to this Agreement (“**Guaranteed Seller Obligations**”) and agrees to indemnify the Purchasers against all losses, damages, costs and expenses (including legal costs and expenses) which the Purchasers may suffer or incur through or arising in connection with any breach by any Seller or Asset Seller of any Guaranteed Seller Obligations. The liability of the Sellers’ Guarantor under this clause 17.1 shall not be released or diminished by any rearrangement or alteration of terms (whether of this Agreement or otherwise) or any forbearance, neglect or delay in seeking performance of the Guaranteed Seller Obligations or any granting of time for such performance.

- 17.2 If and whenever any Seller or Asset Seller defaults for any reason whatsoever in the performance of any Guaranteed Seller Obligation, Sellers' Guarantor shall forthwith upon demand unconditionally perform (or procure performance of) and satisfy (or procure the satisfaction of) the obligation or liability in regard to which such default has been made in the manner prescribed by this Agreement and so that the same benefits shall be conferred on the Purchasers as they would have received if such Guaranteed Seller Obligation had been duly performed and satisfied by the respective Seller or Asset Seller. The Sellers' Guarantor waives any rights which it may have to require the Purchasers to proceed first against or claim payment from the respective Seller or Asset Seller to the intent that as between the Purchasers and Sellers' Guarantor the latter shall be liable as principal debtor as if it has entered all the Guaranteed Seller Obligations jointly and severally with the Sellers and Asset Sellers.
- 17.3 This guarantee and indemnity is to be a continuing security to the Purchasers for all the Guaranteed Seller Obligations and shall not be satisfied, discharged or affected by an intermediate payment or settlement of account by, or change in the constitution or control of, or the insolvency of or winding-up or analogous proceeding relating to, any of the Sellers and Asset Sellers or by any other matter or thing whatsoever.
- 17.4 This guarantee and indemnity is in addition to and without prejudice to and not in substitution for any rights or security which the Purchasers may have or hold now or in the future for the performance and observance of the Guaranteed Seller Obligations.
- 17.5 As a separate and independent stipulation, Sellers' Guarantor agrees that any obligation expressed to be undertaken by any Seller or Asset Seller under this Agreement (including, without limitation, any monies expressed to be payable under this agreement) which may not be enforceable against or recoverable from such Seller or Asset Seller by reason of any legal limitation, disability or incapacity or any other fact or circumstance shall nevertheless be enforceable against or recoverable from the Sellers' Guarantor as though the same has been incurred by the Sellers' Guarantor and the Sellers' Guarantor were sole or principal obligor in respect thereof and shall be performed or paid by the Sellers' Guarantor on demand.

## **18. ACCESS TO BOOKS AND RECORDS**

- 18.1 For a period of ten (10) years following the Signing Date, but in no event longer than the statutory terms to preserve business records (*gesetzliche Aufbewahrungsfristen*), the Group Companies shall, and the Purchasers shall procure that the Group Companies shall, keep all documents, data and books of the Group Companies and shall grant the Sellers and their authorized representatives access, during normal business hours and upon reasonable advance notice, to any and all documents, data and books of the Group Companies relating to time periods prior to the Closing Date and the Purchasers shall procure that the Group Companies allow the Sellers to appropriately review the documents, data and books of the Group Companies relating to time periods prior to the Signing Date and to make, at Sellers' costs, copies or printouts.

- 24.5.4 Any references made in this Agreement to any types of companies or equity participations, proceedings, government authorities or other bodies, rights, institutions, regulations or legal relationships under German law shall extend to any equivalent (*funktionsgleich*) legal terms under foreign law to the extent that relevant facts and circumstances must be assessed under such foreign law. If there is no functionally equivalent legal term under the foreign law, then such legal term which most closely reflects the functionality of the legal term under German law shall be referenced into the Agreement.
- 24.5.5 Any reference made in this Agreement to any clauses, paragraphs, sentences, Exhibit and Schedule without further indication of a law or an agreement shall mean the clauses, paragraphs, sentences, Exhibits and Schedules of this Agreement.
- 24.5.6 This Agreement is executed in the English language, but has been prepared against a German commercial and legal background. If any term of this Agreement is open for interpretation, the intended German meaning shall prevail. Where a German term has been inserted in parenthesis or italics, this German term alone (and not the English term to which it relates) shall be authoritative for the purpose of the interpretation of the relevant English term in this Agreement.

#### 24.6 Severability

Should any provision of this Agreement be or become, either in whole or in part, void (*nichtig*), ineffective (*unwirksam*) or unenforceable (*undurchsetzbar*), the validity, effectiveness and enforceability of the other provisions of this Agreement shall remain unaffected thereby. Any such invalid, ineffective or unenforceable provision shall, to the extent permitted by law, be deemed replaced by such valid, effective and enforceable provision as most closely reflects the economic intent and purpose of the invalid, ineffective or unenforceable provision regarding its subject matter, scale, time, place and scope of application. The aforesaid rule shall apply *mutatis mutandis* to fill any unintended gap that may be found to exist in this Agreement. It is the express intent of the Parties hereto that this clause 24.6 shall not merely result in a reversal of the burden of proof but that sec. 139 BGB is hereby contracted out in its entirety.
